Burma, or Myanmar as it is called by the Military Junta, is a country where magnificent and ancient Buddhist temples gaze out serenely over a nation restless for change. Burma has plenty of wonders for the eye --sinuous, life-giving rivers, lush mountain forests, and intricately-drawn cities--but it can also trouble the soul.

An Introduction to Burma (Myanmar) - Geographia
The first volume in a four-part language course, this textbook enables students to start speaking and understanding the spoken language. In the early sections the focus is on familiarizing the learner with the unfamiliar sounds of the language and the structures of Burmese sentences. After this foundation the emphasis changes to acquiring the words and phrases needed for early encounters with Burmese speakers in Burma and elsewhere in the world.
