Reputable television repair companies pay to access special databases that contain detailed information on repair techniques. Make sure that prospective repair company uses one of these professional databases before you consider hiring them. 3. Make sure they can repair your TV. While most TV repair experts can work on any type of TV, some ...

Top 10 TV Repair Near Me | Angie's List

Problems with CRT TV remote If you're facing problems with TV not responding to remote inputs, first replace the batteries! If the TV still isn't responding, there's a problem with the remote. In this case, it is better to replace the remote instead of repairing it.

7 most common problems with CRT TV and their possible ...

If your television is still not receiving a signal, reset the cable box by unplugging it and plugging it back in. There may be an issue with your signal or the box itself, so try switching the connections to another device. If the picture works with another device, contact your provider for service for the box itself.
