I think the evo motor is the best high mileage low maintenance engine Harley has built to the guy that said the v-rod is not really a Harley engine! the the shovelhead, panhead, khuckelhead, and the flathead were also good engines also for their time. 1 1. ninebadthings. Lv 7. 9 years ago.

~~Is the 1340 Evolution engine the best engine Harley ...~~

These problems delayed release of the engine as scheduled for the 1997 model year. When the engines were run, oil came out any gasketed joint as well as the breather. [11] Harley sought the help of Paul Troxler, a young engineer from Southwest Research Institute and eventually the problem was traced to a design which drained the cam case into the crankcase, and used a single scavenge pump.
