Natascha Maria Kampusch (born 17 February 1988) is an Austrian woman who was abducted at the age of 10 on 2 March 1998 and held in a secret cellar by her kidnapper Wolfgang Priklopil for more than eight years, until she escaped on 23 August 2006. She has written a book about her ordeal, 3,096 Days (2010), upon which the 2013 German film 3096 Days is based.

Natascha Kampusch—Wikipedia

On 2 March 1998 ten-year-old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van. Hours later she found herself in a dark cellar, wrapped in a blanket. When she emerged eight years later, her childhood had gone.

On 2 March 1998 ten-year-old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van. Hours later she found herself in a dark cellar. When she emerged eight years later, her childhood had gone. In 3,096 Days Natascha tells her incredible story for the first time: her difficult childhood, what exactly happened on the day of her abduction, her imprisonment and the mental and physical abuse she suffered from her abductor, Wolfgang Priklopil. 3,096 Days is a story about the triumph of the human spirit and how, against inconceivable odds, Natascha managed to escape unbroken.

On 2 March 1998 ten-year-old Natascha Kampusch was snatched off a street in Vienna by a stranger and bundled into a white van. Hours later she was lying on a cold cellar floor, rolled up in a blanket. When she emerged from captivity in 2006, having endured one of the longest abductions in recent history, her childhood had gone. In 3,096 Days Natascha tells her amazing story for the first time: her difficult childhood, what exactly happened on that fateful morning when she was on her way to school, her long imprisonment in a five-square-metre dungeon, and the physical and mental abuse she suffered from her abductor, Wolfgang Priklopil - who committed suicide by throwing himself under a train on the day she managed to make her escape. 3,096 Days is ultimately a story about the triumph of the human spirit. It describes how, in a situation of almost unbearable hopeless, she learned how to manipulate her captor. And how, against inconceivable odds, she managed to escape with her spirit intact. 'Kampusch's mix of resilience, self-belief and teenage rebelliousness frequently reminds me of Anne Frank. Like Anne, she refuses to be defined by her traumatic experience. And again, like Anne, she seems extraordinary in her own right...(her book) demands to be read...Somewhere in this young woman's courageous and creative response to a randomly brutal act, it is possible to glimpse all that is best and most exhilarating about being human.' New Statesman '3,096 Days is thoughtful, unflinching and remarkably devoid of self-pity...Remarkable...as a testament to her indomitable spirit.' Sunday Times '3,096 Days is an excellent book...Kampusch takes us coolly through her extraordinary experience without piling on grisly details or emotional pressure. She doesn't ask for our sympathy...Instead she insists on being free to do and speak as she pleases. She was deprived of this most basic right for eight years, she explains and has no intention of letting it happen again.' Mail on Sunday 'The power of Kampusch's narrative lies in her insistence on the emotionally complex nature of her relationship with her kidnapper, and her refusal to see herself purely as a victim, and him as evil.' Sunday Telegraph 'Her autobiography is testament to the power of the imagination in the face of a most terrifying predicament... Kampusch's grim tale would be compelling whatever the skill of the writer, but her memoir manages to be both a brave attempt to get across a message and a sad song about the bleakness of many lives.' Observer

The remarkable and shocking true account of the kidnap of Natascha Kampusch in 1998, who shares her deeply moving story. On 2 March 1998 ten-year-old Natascha Kampusch was snatched off the street by a stranger and bundled into a white van. When she emerged from her prison eight years later, her childhood had gone. In 3,096 Days Natascha tells her incredible story for the first time: her difficult childhood, the day of her abduction, her imprisonment in a five-square-metre dungeon, and the mental and physical abuse she suffered from her abductor, Wolfgang Priklopil. A story about the triumph of the human spirit. 3,096 Days describes how, in a situation of almost unbearable hopelessness, she learned how to manipulate her captor and, against inconceivable odds, she managed to escape unbroken. 'A brilliantly insightful dissection of her years in captivity' Jon Ronson, Guardian 'An excellent book' Kathryn Hughes, Mail on Sunday 'Remarkable - not just for Kampusch's account of her ordeal but as a testament to her indomitable spirit' Daisy Goodwin, Sunday Times

On March 2, 1998, ten-year-old Natascha Kampusch was kidnapped, and found herself locked in a house that would be her home for the next eight years. She was starved, beaten, treated as a slave, and forced to work for her deranged captor. But she never forgot who she was-and she never gave up hope of returning to the world. This is her story.

In late October 2006, one of the most spectacular kidnapping cases of the younger past had come to end, when Natascha Kampusch freed herself after being held captive in a hidden cellar (near Vienna, Austria) for more than eight years. Media companies from all over the world came to cover her life story, which has taken quite some twists since then. The result: two autobiographies, a feature film, several documentaries and hundreds of interviews – all within a decade. "10 Years of Freedom" offers us an insight into the impact such a nightmarish captivity has on a young woman's life. It tells the story of a naive victim, that had to learn to cope with the real world after being locked away for her whole youth. The author spans a wide range of themes from her first days in freedom and the turbulent times after gaining it again to a never-ending trauma, which she will have to deal with for the rest of her life. Natascha declares that she wasn't prepared to be a public figure after all, but was suddenly confronted with a heavy and controversial media coverage (including speculations by reporters regarding Stockholm syndrome and roleplaying, along with being labelled "cellar girl" and "sex slave"). Also, wild conspiracy theories gained popularity, resulting in several trials and review boards (including police and FBI investigations). Despite everything, she found certain ways to reconnect with her family and even founded/initiated several charity projects (e.g. the creation of a children's ward in Sri Lanka or the support of PETA, an organisation for animal rights). "Your book is remarkable. 10 Years of Freedom, I urge everyone to read it." - Piers Morgan, ITV "It's a very powerful read." - Huw Edwards, BBC "Very brave." - Emma Barnett, BBC

Throughout my captivity, I was never told what was going to happen next or why. This lack of knowledge was used by Master to maintain a continuous element of fear and control over me. Anytime I was taken out of the box, I never knew what to expect. Fear of the unknown was always with me as I was kept in the dark both physically and mentally. This lack of knowledge may have been a good thing in one sense. If I had known the length of my entombment after returning from Riverside, I'm not sure I would have survived. Of course, I'm not sure even Master knew how long he was going to keep me in the box. A few days passed then a few more. Then weeks passed followed by months. Months slowly turned into years. I would spend the next three years of my life (1981-1984) in the box sleeping, dreaming, and praying. I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom. Maybe he felt he was losing control of his slave. Too many neighbors had seen me, and questions about my status in the Hooker household were surely to arise. A fast thinking family member in Riverside may have copied down his vehicle tag number. What if the police knocked on his door one day looking for Colleen Stan? What if they searched the mobile home? Would anyone think to look under a waterbed for the girl in the box? Master wanted to keep me out of sight until the heat had passed. The other reason for putting me into storage was Ma'am. I'm sure she wanted me out of her life, out of her children's lives, and out of her husband's life. Master was not ready to let his slave go. Cloistering was the only answer. My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed. I emptied my bedpan, drank a large glass of water, and ate cold leftovers in the front bathroom. Sometimes the leftovers were true leftovers that had been out all day and the family didn't want.

A shocking expose of the appalling abuse and experimentation carried out on vulnerable children at Aston Hall Hospital, Derbyshire, in the 60s and 70s.

'I stood there for a moment, silently speaking to myself. Josefina, you will survive this. You are strong. You are a fighter. You adapt.' As a young mum-of-three, Josefina Rivera was determined to get her troubled life back on track. But then she met Gary Heidnik and the next four months became a living nightmare. Along with five women Josefina was held captive in a cellar where she was starved, beaten, and repeatedly raped to fulfil Heidnik 's desire of creating a ' family ' of ten children. Cellar Girl is the shocking but ultimately inspiring story of how one brave, young woman saved herself and others from a life worse than hell.

After being held captive for 3096 days in a hidden room near Vienna, Natascha Kampusch now lives a life without physical boundaries but mental ones. Her second autobiography "10 Years of Freedom" tells the full story about the "girl in the cellar" who had succeeded in returning to society after all.

The Sunday Times top ten bestseller... You're not going home. You're not going anywhere. You're mine now. Growing up in a deeply troubled family, 15-year-old Anna felt lost and alone in the world. So when a friendly taxi driver befriended her, Anna welcomed the attention, and agreed to go home with him to meet his family. She wouldn't escape for over a decade. Held captive by a sadistic paedophile, Anna was subjected to despicable levels of sexual abuse and torture. The unrelenting violence and degradation resulted in numerous miscarriages, and the birth of four babies... each one stolen away from Anna at birth. Her salvation arrived thirteen years too late, but despite her shattered mind and body, Anna finally managed to flee. This is her harrowing, yet uplifting, true story of survival.
