September 1919: Twenty-year-old Tristan Sadler takes a train from London to Norwich to deliver a clutch of letters to Marian Bancroft. Tristan fought alongside Marian's brother Will during the Great War. They trained together. They fought together. But in 1917, Will laid down his guns on the battlefield and declared himself a conscientious objector, an act which

has brought shame and dishonour on the Bancroft family. The letters, however, are not the real reason for Tristan's visit. He holds a secret deep within him. One that he is desperate to unburden himself of to Marian, if he can only find the courage. Whatever happens, this meeting will change his life – forever.

A masterfully told tale of passion, jealousy, heroism and betrayal set in the gruesome trenches of World War I. It is September 1919: twenty-one-year-old Tristan Sadler takes a train from London to Norwich to deliver a package of letters to the sister of Will Bancroft, the man he fought alongside during the Great War. But the letters are not the real reason for Tristan's visit. He can no longer keep a secret and has finally found the courage to

unburden himself of it. As Tristan recounts the horrific details of what to him became a senseless war, he also speaks of his friendship with Will--from their first meeting on the training grounds at Aldershot to their farewell in the trenches of northern France. The intensity of their bond brought Tristan happiness and self-discovery as well as confusion and unbearable pain. The Absolutist is a masterful tale of passion, jealousy, heroism, and betrayal set in one of the most gruesome trenches of France during World War I. This novel will keep readers on the edge of their seats until its most extraordinary and unexpected conclusion, and will stay with them long after they've turned the last page.

Books Glass Bell Award From the beloved New York Times bestselling author of *The Boy In the Striped Pajamas*, a sweeping, heartfelt saga about the course of one man's life, beginning and ending in post-war Ireland Cyril Avery is not a real Avery -- or at least, that's what his adoptive parents tell him. And he never will be. But if he isn't a real Avery, then who is he? Born out of wedlock to a teenage girl cast out from her rural Irish community and adopted by a well-to-do if eccentric Dublin couple via the intervention of a hunchbacked Redemptorist nun, Cyril is adrift in the world, anchored only tenuously by his heartfelt friendship with the infinitely more glamorous and dangerous Julian Woodbead. At the mercy of fortune and coincidence, he will spend a lifetime coming to know himself and

where he came from - and over his many years, will struggle to discover an identity, a home, a country, and much more. In this, Boyne's most transcendent work to date, we are shown the story of Ireland from the 1940s to today through the eyes of one ordinary man. The Heart's Invisible Furies is a novel to make you laugh and cry while reminding us all of the redemptive power of the human spirit.

From the bestselling author of *A Ladder to the Sky*—"a darkly funny novel that races like a beating heart" (*People*)—comes a new novel that plays out across all of human history: a story as precise as it is unlimited. This story starts with a family. For now, it is a father and a mother with two sons, one with his father's

violence in his blood, one with his mother's artistry. One leaves. One stays. They will be joined by others whose deeds will determine their fate. It is a beginning. Their stories will intertwine and evolve over the course of two thousand years. They will meet again and again at different times and in different places. From Palestine at the dawn of the first millennium and journeying across fifty countries to a life among the stars in the third, the world will change around them, but their destinies remain the same. It must play out as foretold. From the award-winning author of *The Heart's Invisible Furies* comes *A Traveler at the Gates of Wisdom*, an epic tale of humanity. The story of all of us, stretching across two millennia. Imaginative, unique, heartbreaking, this is John Boyne at his most creative

Part love story, part historical epic, part tragedy, *The House of Special Purpose* illuminates an empire at the end of its reign. Eighty year old Georgy Jachmenev is haunted by his past - a past of death, suffering and scandal that will stay with him until the end of his days. Living in England with his beloved wife Zoya, Georgy prepares to make one final journey back to the Russia he once knew and loved, the Russia that both destroyed and defined him. As Georgy remembers days gone by, we are transported to St. Petersburg in the early 20th century, to the Winter Palace of the Tsar. A time of change, threat and bloody revolution. And as Georgy overturns the most painful stone of all, we uncover the story of

MINNEAPOLIS STAR TRIBUNE

Maurice Swift is handsome, charming, and hungry for fame. The one thing he doesn't have is talent—but he's not about to let a detail like that stand in his way. After all, a would-be writer can find stories anywhere. They don't need to be his own. Working as a waiter in a West Berlin hotel in 1988, Maurice engineers the perfect opportunity: a chance encounter with celebrated novelist Erich Ackermann. He quickly ingratiates himself with the powerful – but desperately lonely – older man, teasing out of Erich a terrible, long-held secret about his activities during the war. Perfect material for Maurice's first novel. Once Maurice has had a taste of literary fame, he knows he can stop at nothing in pursuit of that high. Moving from the Amalfi Coast, where he

matches wits with Gore Vidal, to Manhattan and London, Maurice hones his talent for deceit and manipulation, preying on the talented and vulnerable in his cold-blooded climb to the top. But the higher he climbs, the further he has to fall. . . .

Sweeping across the late twentieth century, *A Ladder to the Sky* is a fascinating portrait of a relentlessly immoral man, a tour de force of storytelling, and the next great novel from an acclaimed literary virtuoso.

Praise for *A Ladder to the Sky*

“Boyne's mastery of perspective, last seen in *The Heart's Invisible Furies*, works beautifully here. . . . Boyne understands that it's far more interesting and satisfying for a reader to see that narcissist in action than to be told a catchall phrase. Each step Maurice Swift takes skyward reveals a

new layer of calumny he's willing to engage in, and the desperation behind it . . . so dark it seems almost impossible to enjoy reading *A Ladder to the Sky* as much as you definitely will enjoy reading it.”—NPR “Delicious . . . spins out over several decades with thrilling unpredictability, following Maurice as he masters the art of co-opting the stories of others in increasingly dubious ways. And while the book reads as a thriller with a body count that would make Highsmith proud, it is also an exploration of morality and art: Where is the line between inspiration and thievery? To whom does a story belong?”—Vanity Fair

At the start of his school holidays, Danny Delaney is looking forward to a trouble-free summer. But when his mother returns home one afternoon, flanked by two policemen, he knows that something terrible has happened. Mrs Delaney has accidentally hit a small boy with her car. The boy is in a coma at the local hospital and nobody knows if he will ever wake up. Consumed by guilt, Danny's mother closes herself off, while Danny and his father are left to pick up the pieces of their fractured family. Told in John Boyne's unique style from the point of
