A delightful, delicious, and best-selling account of the gustatory pleasures to be found throughout France, from the beloved author of *A Year in Provence*. The French celebrate food and drink more than any other people, and Peter Mayle shows us just how contagious their enthusiasm can be. We visit the Foire aux Escargots. We attend a truly French marathon, where the beverage of choice is Ch â teau Lafite-Rothschild rather than Gatorade. We search out the most pungent cheese in France, and eavesdrop on a heated debate on the perfect way to prepare an omelet. We even attend a Catholic mass in the village of Richerenches, a sacred event at which thanks are given for the aromatic, mysterious, and breathtakingly expensive black truffle. With Mayle as our charming guide, we come away satisfied (if a little hungry), and with a sudden desire to book a flight to France at once.

National Bestseller In this witty and warm-hearted account, Peter Mayle tells what it is like to realize a long-cherished dream and actually move into a 200-year-old stone farmhouse in the remote country of the Lub é ron with his wife and two large dogs. He endures January's frosty mistral as it comes howling down the

Rhône Valley, discovers the secrets of goat racing through the middle of town, and delights in the glorious regional cuisine. *A Year in Provence* transports us into all the earthy pleasures of Provençal life and lets us live vicariously at a tempo governed by seasons, not by days.

NATIONAL BESTSELLER Taking up where his beloved *A Year in Provence* leaves off, Peter Mayle offers us another funny, beautifully (and deliciously) evocative book about life in Provence. With tales only one who lives there could know—of finding gold coins while digging in the garden, of indulging in sumptuous feasts at truck stops—and with characters introduced with great affection and wit—the gendarme fallen from grace, the summer visitors ever trying the patience of even the most genial Provençal, the straightforward dog "Boy"—*Toujours Provence* is a heart-warming portrait of a place where, if you can't quite "get away from it all," you can surely have a very good time trying.

Gastronomy is a wonderful starting point to study France and the French. As the retired school master from Provence says, The religion of France is food. And wine, of course. And they put their money where their mouth is, spending a greater proportion of their income on food and drink than any other nation in the world. Literally hundreds of gastronomic fairs and festivals take place throughout the year all over France - a frog fair, an homage to the sausage, to the turnip, to the quiche and the noble Camembert.

Bennett is an English expatriate living in France with a champagne taste and a beer bankroll. Happy-go-lucky and a bit roguish, he places an ad in the *International Herald Tribune* offering his services -- any services. He pursues a response from a wealthy Englishman named Julian Poe who has developed a means of producing truffles and is close to cornering the immensely lucrative truffle market. Bennett signs on and finds himself in Monaco, where he is able to live in a style to which he has always wished to become accustomed (including eating to his heart's content -- a Mayle trademark!). Soon the Sicilian and Corsican Mafiosi intrude and Bennett is joined by the beautiful and experienced (in all ways) Anna. Ham-fisted goons, gendarmes working at cross purposes, French village busybodies, and an order of monks dedicated to the god Bacchus all play a role in the surprising, and more than a little satisfying, denouement.

Once upon a time in Provence, Peter Mayle adopted a dog of uncertain origins and dubious hunting skills and gave him a name—Boy. Now he gives this canny canine a voice in an irresistible "memoir" that proves that the best vantage point for observing life may well be on all fours. As Boy recounts his progress from an overcrowded maternal bosom to unchallenged mastery of the Mayle household, he tells us why dogs are drawn to humans ("our most convenient support system") and chickens ("that happy combination of sport and nourishment"). We share in his amorous dalliances, his run-ins with French plumbers and cats, and in the tidbits (both conversational and edible) of his owners' dinner parties. Enhanced by fifty-nine splendidly whimsical drawings by Edward Koren, *A Dog's Life* gives us all the delights we expect from any book by Peter Mayle—pedigree prose, biting wit, and a keen nose for the fragrance of civilization—together with the insouciant wisdom of which only a dog (and probably only Peter Mayle's dog) is capable.

Attention bread lovers! In the first of his famous books about Provence, Peter Mayle shared with us news of a bakery in the town of Cavillon where the baking and appreciation of breads "had been elevated to the status of a minor religion." Its name: Chez Auzet. Now, several hundred visits later, Mayle has joined forces with Gerard Auzet, the proprietor of this most glorious of Provençal bakeries, to tell us about breadmaking at its finest. Mayle takes us into the baking room to witness the birth of a loaf. We see the master at work — slapping, rolling, squeezing, folding, and twisting dough as he sculpts it into fougasses, bâtards, and boules. Auzet then gives us precise, beautifully illustrated instructions for making sixteen kinds of bread, from the classic baguette to loaves made with such ingredients as

Download File PDF Acquired Tastes Peter Mayle

bacon, apricots, hazelnuts, garlic, and green and black olives. There are tips galore, the tricks of the trade are revealed, and along the way Mayle relates the delightful history of four generations of Auzet bakers. One of Provence ' s oldest and most delicious pleasures is now available at a kitchen near you, thanks to this charming guide. Read, bake, and enjoy.

Now a New York Times Bestseller Paris was practically perfect... Craig Carlson was the last person anyone would expect to open an American diner in Paris. He came from humble beginnings in a working-class town in Connecticut, had never worked in a restaurant, and didn't know anything about starting a brand-new business. But from his first visit to Paris, Craig knew he had found the city of his dreams, although one thing was still missing-the good ol' American breakfast he loved so much. Pancakes in Paris is the story of Craig tackling the impossible-from raising the money to fund his dream to tracking down international suppliers for "exotic" American ingredients... and even finding love along the way. His diner, Breakfast In America, is now a renowned tourist destination, and the story of how it came to be is just as delicious and satisfying as the classic breakfast that tops its menu.

Hanky-panky on the international art scene is the source of the hilarity and fizz in Peter Mayle's new novel. He flies us back to the south of France (a region some readers of his irresistible best-sellers believe him to have invented), on a wild chase through galleries, homes of prominent collectors, and wickedly delectable restaurants. There are stopovers in the Bahamas and England, and in New York, where that glossiest of magazines, *Decorating Quarterly*, reflects the cutting-edge trendiness of its editor, Camilla Jameson Porter. (Camilla has recently broken new ground in the world of power lunches by booking two tables on the same day, and shuttling between them, at the city's trendiest restaurant.) It is Camilla who has sent our hero, Andre Kelly, to Cap Ferrat to take glamorous photo-graphs of the houses and treasures of the rich, famous, and fatuous. He happens to have his camera at the ready when he spots a C é zanne being loaded onto a plumber's truck near the home of an absent collector. Odd, thinks Andre. And in no time he's on the trail of a state-of-the-art art scam, chasing C é zanne. It's a joy to follow him and the crowds intent on speeding or foiling his quest--including a beautiful agent; a super-savvy art dealer attracted to the finer things in life, especially if they promise the payoff of a lifetime; an awesome Dutch forger; some outstandingly greedy New York sophisticates; and, invisible in the background, the parade of remarkable chefs whose mouthwatering culinary masterpieces periodically soothe the hero and tantalize the reader of *Chasing C é zanne*.
