another day. So sad, so sad, Sometimes  
she feels so sad, Alone in her apartment  
she'd dwell, 'Til the man of her dreams  
comes to break the spell. Ah... Stay, Don't  
stand her up, And he comes and he stays,  
But he leaves the next day... so sad,

Another time, another place  
The words would only rhyme, we'd be in outer space  
It'd be another song, we'd sing another way  
You wanna prove me wrong? Come back another day  
Another day. There's only yes  
Only tonight We must let go  
To know what's right. No other course  
No other way No day but today. I can't control  
Control your temper My destiny She doesn't see
