What's in This AP Psychology Study Guide? This guide will help you study for the AP Psychology exam and other assessments in your class by providing study strategies and other resources that pertain to the material covered in the course. In the first section, you'll learn how to create a study plan for the exam that supports your needs as a student. This section applies exclusively to the final AP exam, so it's less relevant if you're just studying for an in-class test.

You can use these notes as study aids for in-class tests or to review for the final AP exam. Supplement them with resources you've gotten from your teacher in class and other notes you've taken throughout the year. If you know that there's an especially great explanation of a certain concept in your textbook, use that to help you review as well.
