As I Lay Dying is a 1930 Southern Gothic novel by American author William Faulkner. Faulkner's fifth novel, it is consistently ranked among the best novels of 20th-century literature. The title derives from Book XI of Homer's Odyssey, wherein Agamemnon tells Odysseus: "As I lay dying, the woman with the dog's eyes would not close my eyes as I descended into Hades." The novel utilizes stream of consciousness writing technique, multiple narrators, and varying chapter lengths.

Enjoyed As I Lay Dying more than my first taste of a Faulkner novel, which was The Sound and the Fury. As I Lay Dying, for me, felt more accessible. The narrative, told from each character's perspective, yet often about the same event, left the reader to interpret the underlying motive or conflict of feelings within the Bundren family.

Provides a collection of critical essays on Faulkner's *As I lay dying*.

The story revolves around a grim yet darkly humorous pilgrimage, as Addie Bundren's family sets out to fulfill her last wish:

to be buried in her native Jefferson, Mississippi, far from the miserable backwater surroundings of her married life. Told through multiple voices, it vividly brings to life Faulkner's imaginary South, and is replete with the poignant, impoverished, violent, and fascinating characters that were his trademark.

William Faulkner was a master of the short story. Most of the pieces in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929, when he published *The Sound and the Fury*. They explore many of the themes found in the novels and feature characters of small-town Mississippi life that are uniquely Faulkner's. In "A Rose for Emily," the first of his stories to appear in a national magazine, a straightforward, neighborly narrator relates a tale of love, betrayal, and murder. The vicious family of the Snopes trilogy turns up in "Barn Burning," about a son's response to the activities of his arsonist father. And Jason and Caddy Compson, two other inhabitants of Faulkner's mythical Yoknapatawpha County, are witnesses to the terrorizing of a pregnant black laundress in "That Evening Sun." These and the other stories gathered here attest to the fact that Faulkner is, as Ralph Ellison so aptly noted, "the greatest artist the South has produced."

When the matriarch of the Bundren family dies, her family must confront the daunting task of transporting her body across the state of Mississippi for burial in her hometown. As they embark on this journey, with the coffin in tow, they face several trials and tribulations that not only complicate their travel but also highlight the innate dysfunction of the family's complex dynamic. This comprehensive volume explores the themes of William Faulkner's *As I Lay Dying* through the lens of family dysfunction, offering readers a critical look at the intersection between literature and sociology. The book examines Faulkner's life and influences and explores concepts such as the role of maternal influence and sibling rivalry within the novel and within the broader context of society. Chapters also offer a contemporary perspective on family dysfunction through discussion of topics such as the effects of emotional neglect and the role of maternal instincts.
