Bangkok Noir (2011) was the first of this series of hard-boiled stories set in a particular location. But for some reason I had started with the second volume set in Phnom Penh, which includes many of the same author from this initial volume. It was uneven, but generally speaking I enjoyed most of them.

The dictionary tells us noir is "crime fiction featuring hard-boiled cynical characters and bleak sleazy settings." Here in Bangkok we have our fair share of sleazy settings and cynical characters, and some hard-boiled cynical fiction. The French will have us believe noir means "black" or "dark film."

At first glance, the title Bangkok Noir reads like an oxymoron. Given the sunny climate and the sunny-side-up dispositions of most Thais, invoking the word "noir" next to Bangkok seems a mite strange, because the French word for "black" is more a state of existential despair than a genre of film and fiction.

Bangkok Noir: The Telltale Art - Bangkok 101
Ich persönlich halte Bangkok Noir als gut gelungen, obwohl natürlich für manche Leser etwas zu anspruchsvoll. Beide Bücher, Bangkok Noir und Stille Tage in Bangkok, heben sich positiv von den oft primitiven Publikationen über Bangkok ab. Wer ein komplexeres Bild dieser Stadt haben möchte, mit all seinen widersprüchlichen Seiten und off the beaten track Orten dürfte bei Steve Casal besser aufgehoben sein.

Bangkok Noir was published in 2009 and hit the German bestseller lists, where it stayed for a considerable time. Tooten's half-lit, stark images and Willemsen's lyrical, free-flowing narrative formed a near perfect mirror of the city. And Tooten, his project wrapped up, stayed. " I feel at home here.

This first ever noir anthology of Bangkok, twelve seasoned and internationally known-Thai and Western-writers have come together to make a powerful collection of crime fiction short stories that portray the dark side of this Asian metropolis where the lives of most citizens seem as far away from heaven as its Thai name Krungthep is distant from its meaning-City of Angels.
