~~Camelot 3000~~

Camelot 3000 is an American twelve-issue comic book limited series written by Mike W. Barr and penciled by Brian Bolland. It was published by DC Comics from 1982 to 1985 as one of its first direct market

File Type PDF Camelot 3000

projects, and as its first maxi-series. It was also the first comic book series to be printed on Baxter paper instead of newsprint.

~~Camelot 3000~~

~~Wikipedia~~

Camalot 3000 is about 300 pages long and he probably had a stricter deadline. I always wondered why Bolland

File Type PDF

Camelot 3000

didn't do more interior work. Now I prefer that he sticks to covers because almost every one is a masterpiece. Story-wise, it is significant because it is one of DC's first mature comics and helps set the stage for Vertigo and so on.

Camelot 3000

Camelot 3000 was a great Arthurian inspired DC mini-series. This mistitled episode of Legends deficated on the Arthur myth, DC comics, and good people everywhere! I'm not sure which was worse, the truly bad writing or the atrocious production values!

Camelot 3000 is not the story of 6 generic knights fighting their regular battle against evil. It is the dark story of a group of people who are willing to fail their holy mission to accomplish their own selfish desires.

~~| Screen Rant~~

1.As I discovered, most Arthurian enthusiasts are aware of DC Comics' maxi-series, or the trade paperback, of Camelot 3000 by Mike W. Barr and Brian Bolland, and Matt Wagner's MAGE: The Hero Discovered but other than that, the remainder of the Arthurian themed comic books have been largely
