Summer Link Math Plus Reading is designed to be a fun way to help a child prepare for the grade ahead during the summer. Each 320-page book includes fun learning activities covering a range of topics in math and reading. The activities review skills from the previous grade and gradually increasing in difficulty to prepare a child for the grade ahead. Summer Link Math Plus Reading is designed for parents looking for a fun and affordable way to help their children stop the summer learning slide and prepare for the grade ahead during the 10 weeks of summer. The easy-to-use full-color activities review and extend essential skills and increase confidence at school. A Test Practice section at the end of each book provides tips and practice for standardized tests and will allow the child to review the topics covered. A skills checklist for parents, a recommended summer reading list, and an answer key are also included.

The Challenge and Skills Builders are differentiated activity books to be used alongside the Cambridge Primary Science course. Cambridge Primary Science is a flexible and engaging course written specifically for the Cambridge Primary Science Curriculum Stages 1 to 6. The course uses an enquiry-led approach focussed on making pupils think and work scientifically. The Challenge Activity Books provide extension activities for children who need more challenging activities to stretch their skills beyond the standard for success expected in Primary school. They include a full range of carefully levelled activities which help stretch and deepen a child's understanding, plus helpful guidance for explaining to the learner, teacher or parent the key scientific methods and concepts underpinning each exercise.

A highly focused Cambridge English: First (FCE) course providing efficient exam preparation in 50-60 core hours. Compact First Student's Book provides B2-level students with thorough preparation and practice needed for exam success. Ten units cover all five exam papers in a step-by-step approach. 'Quick steps' and Writing, Speaking and Listening guides, explain what to expect in the exam, and provide strategies on approaching each paper, model answers, useful expressions and further practice. A Grammar Reference covers all key areas of grammar. The CD-ROM provides interactive grammar, vocabulary and writing practice. The Workbook provides further practice corresponding to the Student's Book units with listening material on the Audio CD. Two complete practice tests are included online.

All the skills you need to know to become a confident speaker and conquer speaking anxiety are thoroughly covered in THE CHALLENGE OF EFFECTIVE SPEAKING IN A DIGITAL AGE, 16E. A pioneer in the field, this best seller guides you through six key Speech Planning Action Steps: topic selection, audience analysis and adaptation, effective research (including appropriate use of Internet resources), organization (with an emphasis on outlining), presentational aids (and how to avoid succumbing to death by PowerPoint), and language and delivery. The new edition also includes many online tools, such as videos of student speeches accompanied by Interactive Video Activities that help develop and strengthen public speaking skills. Grounded in the latest research, this new edition is an exceptional resource for creating and delivering speeches.
