This codex is not good. Not bad, certainly broken in quite a few ways. but it isn't the Clan Rau You really have to wonder what goes through the heads of Games Workshop writers some days. On some occasions they've produced fantastic, outstanding work which shows just why Warhammer 40,000 is the granddaddy of all tabletop wargaming.

| calendar.pridesource

According to 40k stats.com craftworlds have the lowest win rate of any army with enough games to get a realistic picture of how they perform. This is based off competitive play so isn't necessarily representative of a more casual game. I think it's probably skewed by some competitive players moving away to, say, Harlequins leaving the die hard eldar players who may not be quite
