Command Center Handbook Proactive It Monitoring

Command Center Handbook 5 Some support team members will want to know when available space reaches, let's say 15%, but will not act until it reaches 10%. They will instruct the command center member calling them to ignore the alert and to call back when available space reaches 10%. That is a mistake, and any request to ignore an alert should be

Command Center Handbook: Proactive It Monitoring ...

I have thought about moving the IT
Command Center and Service Desk
under one umbrella and one manager
with team leads under that person.

The current IT Command Center
Manager would lead only the
ServiceNow Team. Our IT Command
Center has not reached a maturity of
being proactive for many reason. The
Service Desk is not where we need it
to be.
