school's queen bee, Clara Rutherford, who suddenly falls into uncontrollable tics in the middle of class. Her mystery illness quickly spreads to her closest clique of friends, then more students and symptoms follow: seizures, hair loss, violent coughing fits. St. Joan's buzzes with rumor; rumor blossoms into full-blown panic. Soon the media descends on Danvers, Massachusetts, as everyone scrambles to find something, or someone, to blame. Pollution? Stress? Or are the girls faking? Only Colleen—who's been reading *The Crucible* for extra credit—comes to realize what nobody else has: Danvers was once Salem Village, where another group of girls suffered from a similarly bizarre epidemic three centuries ago . . . Inspired by true events—from seventeenth-century colonial life to the halls of a modern-day high school—*Conversion* casts a spell. With her signature wit and passion, New York Times bestselling author Katherine Howe delivers an exciting and suspenseful novel, a chilling mystery that raises the question, what's really happening to the girls at St. Joan's?

A spellbinding, beautifully written novel that moves between contemporary times and one of the most fascinating and disturbing periods in American history - the Salem witch trials. Harvard graduate student Connie Goodwin needs to spend her summer doing research for her doctoral dissertation. But when her mother asks her to handle the sale of Connie's grandmother's abandoned home near Salem, she can't refuse. As she is drawn deeper into the mysteries of the family house, Connie discovers an ancient key within a seventeenth-century Bible. The key contains a yellowing fragment of parchment with a name written upon it: Deliverance Dane. This discovery launches Connie on a quest—to find out who this woman was and to unearth a rare artifact of singular power: a physick book, its pages a secret repository for lost knowledge. As the pieces of Deliverance's harrowing story begin to fall into place, Connie is haunted by visions of the long-ago witch trials, and she begins to fear that she is more tied to Salem's dark past than she could have ever imagined. Written with astonishing conviction and grace, *The Physick Book of Deliverance Dane* travels seamlessly between the witch trials of the 1690s and a modern woman's story of mystery, intrigue, and revelation.

While attending film school in New York City, Wes encounters Annie, a mysterious and intoxicatingly beautiful girl searching for a missing ring, and as they search together, they uncover secrets that reveal the truth of Annie's dark past.

1915, and the ghosts of the dead haunt a wealthy Boston family. Sibyl Allston is devastated by the recent deaths of her mother and sister aboard the Titanic. Hoping to heal her wounded heart, she seeks solace in the parlour of a medium who promises to contact her lost loved ones.

Chilling real-life accounts of witches, from medieval Europe through colonial America, compiled by the New York Times bestselling author of *The Physick Book of Deliverance Dane* and *The Daughters of Temperance Hobbs*. From a manual for witch hunters written by King James himself in 1597, to court documents from the Salem witch trials of 1692, to newspaper coverage of a woman stoned to death on the streets of Philadelphia while the Continental Congress met, *The Penguin Book of Witches* is a treasury of historical accounts of accused witches that sheds light on the reality behind the legends. Bringing to life stories like that of Eunice Cole, tried for attacking a teenage girl with a rock and buried with a stake through her heart; Jane Jacobs, a Bostonian so often accused of witchcraft that she took her tormentors to court on charges of slander; and Increase Mather, an exorcism-performing minister famed for his knowledge of witches, this volume provides a unique tour through the darkest history of English and North American witchcraft. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

A magical bloodline. A family curse. Can Connie break the spell before it shatters her future? A bewitching novel of a New England history professor who must race against time to free her family from a curse, by Katherine Howe, New York Times bestselling author of *The Physick Book of Deliverance Dane*. Connie Goodwin is an expert on America's fractured past with witchcraft. A young, tenure-track professor in Boston, she's earned career success by studying the history of magic in colonial America—especially women's home recipes and medicines—and by exposing society's threats against women fluent in those skills. But beyond her studies, Connie harbors a secret: She is the direct descendant of a woman tried as a witch in Salem, an ancestor whose abilities were far more magical than the historical record shows. When a hint from her mother and clues from her research lead Connie to the shocking realization that her partner's life is in danger, she must race to solve the mystery behind a hundreds'-years-long deadly curse. Flashing back through American history to the lives of certain supernaturally gifted women, *The Daughters of Temperance Hobbs* affectingly reveals not only the special bond that unites one particular matriarchal line, but also explores the many challenges to women's survival across the decades—and the risks some women are forced to take to protect what they love most.

While clearing out her grandmother's cottage for sale, Connie Goodwin finds a parchment inscribed with the name Deliverance Dane. And so begins the hunt to uncover the woman behind the name, a hunt that

Access Free Conversion Katherine Howe

takes her back to Salem in 1692 . . . and the infamous witchcraft trials. But nothing is entirely as it seems and when Connie unearths the existence of Deliverance's spell book, the Physick Book, the situation takes on a menacing edge as interested parties reveal their desperation to find this precious artefact at any cost. What secrets does the Physick Book contain? What magic is scrawled across its parchment pages? Connie must race to answer these questions - and reveal the truth about Salem's women - before an ancient family curse once more fulfils its dark and devastating prophecy . . .

He's young. He's hot. He's also evil. He's . . . the librarian. When Cynthia Rothschild's best friend, Annie, falls head over heels for the new high-school librarian, Cyn can totally see why. He's really young and super cute and thinks Annie would make an excellent library monitor. But after meeting Mr. Gabriel, Cyn realizes something isn't quite right. Maybe it's the creepy look in the librarian's eyes, or the weird feeling Cyn gets whenever she's around him. Before long Cyn realizes that Mr. Gabriel is, in fact . . . a demon. Now, in addition to saving the school musical from technical disaster and trying not to make a fool of herself with her own hopeless crush, Cyn has to save her best friend from the clutches of the evil librarian, who also seems to be slowly sucking the life force out of the entire student body! From best-selling author Michelle Knudsen, here is the perfect novel for teens who like their horror served up with a bit of romance, plenty of humor, and some pretty hot guys (of both the good and evil variety).

At fourteen, Frances survived a slaughter that claimed the lives of her parents and best friend, Libby. In the aftermath, she took on Libby's identity and wealth, all while plotting revenge against the powerful Wells family. Now, at age eighteen, she is ready to destroy them, including her first love, Grey.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR For fans of *The Physick Book of Deliverance Dane* and *A Discovery of Witches* comes a brilliantly imagined debut novel brimming with rich history, suspense, and magic. Revelation "Reve" Dyer grew up with her grandmother's family stories, stretching back centuries to Reve's ancestors, who founded the town of Hawley Five Corners, Massachusetts. Their history is steeped in secrets, for few outsiders know that an ancient magic runs in the Dyer women's blood, and that Reve is a magician whose powers are all too real. Reve and her husband are world-famous Las Vegas illusionists. They have three lovely young daughters, a beautiful home, and what seems like a charmed life. But Reve's world is shattered when an intruder alters her trick pistol and she accidentally shoots and kills her beloved husband onstage. Fearing for her daughters' lives, Reve flees with them to the place she has always felt safest—an antiquated farmhouse in the forest of Hawley Five Corners,

where the magic of her ancestors reigns, and her oldest friend—and first love—is the town’s chief of police. Here, in the forest, with its undeniable air of enchantment, Reve hopes she and her girls will be protected. Delving into the past for answers, Reve is drawn deeper into her family’s legends. What she discovers is *The Hawley Book of the Dead*, an ancient leather-bound journal holding mysterious mythic power. As she pieces together the truth behind the book, Reve will have to shield herself and her daughters against an uncertain, increasingly dangerous fate. For soon it becomes clear that the stranger who upended Reve’s life in Las Vegas has followed her to Hawley—and that she has something he desperately wants. Brimming with rich history, suspense, and magic, *The Hawley Book of the Dead* is a brilliantly imagined debut novel from a riveting new voice. Praise for *The Hawley Book of the Dead* “An informed and assured launch . . . Readers will be thoroughly engaged [by] the literary, magical, horse-loving Reve.”—*Publishers Weekly* (starred review) “Enthralling . . . a magic-fueled tale of contemporary romantic suspense.”—*Booklist* (starred review) “The core narrative is strong [with] a proper hook. . . . The scenes with Reve and her daughters ring true.”—*Library Journal* “An impressive debut novel that combines various genres seamlessly.”—*Huntington News* “Engrossing . . . a novel well worth discovering . . . In the vein of authors like Deborah Harkness and Katherine Howe, magic and reality are perfectly blended.”—*BookPage* “With a rapid pace and exquisite details that clearly set the scene and mood, [Chrysler] Szarlan’s novel is a great read for those who love fantasy and tales of witchcraft.”—*Shelf Awareness* “*The Hawley Book of the Dead* had me completely spellbound from beginning to end. A storytelling virtuosa, Chrysler Szarlan has woven a wondrous, scintillating web of suspense, love, history, and magic that will keep you eagerly turning the pages late into the night. Even readers not normally drawn to the supernatural will be swept away by this book; it has everything a great adventure should have—and so much more.”—Anne Fortier “A haunting story of love, loss, family secrets, mysteries, and magic.”—Lauren Willig
