"CORE answers an important but, astonishingly, unfilled need, for an economics text that is respectful of the world as we find it. This means a focus on both the historical foundations of current institutions and trends, but also an awareness of current empirical evidence on economic phenomena. ... CORE is an excellent book if you want to ...

The award-winning BattleTech core rulebooks expand upon the rules from the Beginner Box and A Game of Armored Combat, while taking a "kitchen sink" approach, meaning they provide a vast smorgasbord of rules and options from which each player group gets to decide what they'll use each time they play.. However, even though each rulebook (and by extension, the rules it contains) has been ...

.NET 5.0 is the next major release of .NET Core following 3.1. We named this new release .NET 5.0 instead of .NET Core 4.0 for two reasons: We skipped version numbers 4.x to avoid confusion with .NET Framework 4.x. We dropped "Core" from the name to emphasize that this is the main implementation of ...
