I was so happy to see my daughter draw/color, instead of going on electronics. (Besides trying to see what Moriah Elizabeth did in the video of Create this Book.) Wreck This Journal is here to inspire you." --Buzzfeed A spectacular coloring and painting edition of the incredible journal that started it all, in celebration of the tenth anniversary of the 10-million-copy international bestseller Perhaps you're a seasoned Wreck-er, having made your way through one or more copies of Wreck This Journal. Or maybe you're new to the phenomenon (little do you know, this experience might just change your life). Whatever the case, you've found the perfect book to destroy... Welcome to an all new-edition of Wreck This Journal, now in spectacular full color! Inside, you'll find prompts for painting, shredding, transforming, and unleashing your creativity. With a mix of new, altered, and favorite prompts, Wreck This Journal: Now in Color invites you to wreck with color: mixing colors to make mud, letting chance dictate your color choice, weaving with brightly colored strips of paper, and more. What colors will you use to you wreck your journal? "A conceptual artist and author luring kids into questioning the world and appreciating every smell, texture and mystery in it." --TIME Magazine "Keri Smith may well be the self-help guru this DIY generation deserves." --The Believer

The creator of Wreck This Journal presents a creative, illustrated guide with a unique perspective on the purpose and function of "a book," including using it to send a secret message, as a recording device, and as an instrument. Original.

The international bestseller... For anyone who's ever had trouble starting, keeping, or finishing a journal or sketchbook comes this expanded edition of Wreck This Journal, an illustrated book that features a subversive collection of prompts, asking readers to muster up their best mistake and mess-making abilities and to fill the pages of the book (or destroy them). Through a series of creatively and quirkily illustrated prompts, acclaimed artist Keri Smith encourages journalers to engage in "destructive" acts--poking holes through pages, adding photos and defacing them, painting pages with coffee, coloring outside the lines, and more--in order to experience the true creative process. With Smith's unique sensibility, readers are introduced to a new way of art and journal making, discovering novel ways to escape the fear of the blank page and fully engage in the creative process.
