Whether diesel, gas, hybrid or electric: with our innovative off-highway drives, we are leading the way for tomorrow's mobility.

DEUTZ AG: Engines

He originally had a commercial training and from 1853 onwards worked as a travelling salesman in Cologne, but soon started to concern himself with combustion engine technology. In 1862 he started experimenting with a four-stroke engine of his own design, but because of the explosive way in which the
