A tragedy is a dead serious work that follows the downfall of a heroic character. Most typically, destined-to-fall heroes are super capable characters of high esteem whose actions affect not just themselves, but entire kingdoms.

~~The Spanish Tragedy Genre | Shmoop~~

Drama; Tragedy. The Revenger's Tragedy is most definitely a drama, and it's most definitely a tragedy. On the drama front, it's a play, which is pretty much all it takes to land in this genre category—and this play goes one step further, playing around with the idea of drama by staging some of the action as staged entertainment within the play.

This book introduces the elements of drama and the principles behind the reading and study of plays--classical and modern. It makes a special point of seeing drama as intended for acting and performance, and it therefore emphasizes the role of the spectator at a play and the sort of theatre for which drama was written. The performance approach to the study of plays finally clarifies the different kinds of drama (comedy, tragedy, melodrama, and farce) and identifies its forms (realism, stylization, and symbolism). The book draws on specific examples of drama, is rich in helpful charts and diagrams, and contains a comprehensive glossary. Drama will be a useful guide for students and general playgoers alike.
