~~Everyday Mathematics~~

My grandson was struggling with 5th grade math so I ordered the book he was using in school and a teacher's reference to help me help him. It was very helpful to be able to review the lessons on the weekends. He is now in the 6th grade and doing much better in math. We still use the Everyday Mathematics reference book as a resource. I would recommend parents to do the same. If you can't get a ...
