A competitive athlete trains for one thing- the game. Having the skills and knowing how to play aren't enough- you need to perform when it matters. Yet so many of those same athletes live in a spiritual offseason. They have faith. They know the Word. But they sit back and watch others take the lead. Get in the Game encourages athletes to transfer their drive and determination to the spiritual realm and shows that there is far more than a game on the line.

A beard-related dare and one hot-as-hell kiss changes everything. NFL center Ethan Dexter ' s focus has always been on playing football and little else. Except when it comes to one particular woman. The lovely Fiona Mackenzie might not care about his fame, but she ' s also never looked at him as anything more than one of her brother-in-law ' s best friends. That ends now. Fi doesn ' t know what to make of Dex. The bearded, tattooed, mountain of man-muscle looks more like a biker than a football player. Rumor has it he ' s a virgin, but she finds that hard to believe. Because from the moment he decides to turn his quiet intensity on her she ' s left weak at the knees and aching to see his famous control fully unleashed. Fi ought to guard her heart and walk away; they live vastly different lives in separate cities. And Dex is looking for a forever girl. But Dex has upped his game and is using all his considerable charm to convince Fi he ' s her forever man.

JOHN 10:10 "I HAVE COME THAT THEY MAY HAVE LIFE, AND THAT THEY MAY HAVE IT MORE ABUNDANTLY." In many ways, life is like a football game. In times of abundant living, when everything is going your way, you gain a few yards and make a touchdown. But equally as certain there are times when you lose a few yards or you are tackled on the way to your goal. So how do you prepare yourself for life's ups and downs? You get out God's Playbook and see what His game plan is for you. Aubrey Johnson points out that a coach, including our heavenly Coach, "can draw up perfect plays, put them in a book for you, and remind you to do your homework, but he cannot study and practice for you." That's where strategy comes in. Using a football field analogy, Johnson identifies 10 strategies for Christian growth - things such as commitment, discipline and perseverance - to help you gain yardage on reaching your goal. Once you've figured out your strengths and weaknesses as a player on God's team, you begin the task of following the strategies presented in your playbook for living the abundant life.

Coach God shares the true stories of athletes, parents, and coaches who have demonstrated humility, courage, and openness to enter into the mystery of God's game plan for them. These stories take the reader on a journey of faith in God's Spirit and remind us that we are always in the game and God is always with us.

Shows readers how to live a balanced, God-centered, purpose-filled life, using examples of Coach Gibbs's own storied championship careers as a backdrop.
