1. Community Development Methods and Strategy Introduction. In the material on the subject, the nature of community development will be found described as a program, a method, a movement, a philosophy, as well as process. We hold the view that the key word in an analysis is process, by which we mean a change in an attitude of mind, whether personal or collective, that results in a change of behavior and the pursuit of a course of action hitherto rejected or not understood.

Community Development Methods and Strategy

Introduction to care and support. This guide is for people who have care and support needs, their carers, and people who are planning their future care needs. What is social care and support? They're services to help you if you: need practical support because of illness or disability;

Introduction to care and support - NHS

A healthy community has well-connected, interdependent sectors that share responsibility for recognizing and resolving problems and enhancing its well-being. Successfully addressing a community's complex problems requires integration, collaboration, and coordination of resources from all parts (Thompson et al., 1990).
