Through a wealth of private photo albums and personal archives, Lee Radziwill offers a unique perspective of happy times. She brings alive, with humor and feeling, privileged moments with family and friends including her sister Jackie Kennedy. 250 photos.

Happy Times in Norway is a moving and delicately humorous picture of Undset's own blissful home life before her nation fell to the Nazi occupation. Captured here is the excitement of a Norwegian Christmas, the Seventeenth of May, and summer in the idyllic mountains, as well as the chaotic adventure of raising two energetic boys. With vivid detail and illuminating descriptions of the landscape, Happy Times in Norway is infused with the wish that those cherished days could come again.

'Meik's new book will change the way you think' Dr Rangan Chatterjee _____ From the same author that brought us The Little Book of Hygge, this book reveals the secret to filling your life with happy moments, and how to remember them for ever. Happy memories don't have to be reserved for big life events. Drawing on global surveys, behavioural science experiments and data gathered by The Happiness Research Institute in Copenhagen, Meik is here to show how we can we can turn ordinary experiences into something extraordinary. Whether it's eating dinner at the table rather than in front of the TV, exploring a new part of your neighbourhood, or planning how you're going to celebrate your small wins, this book will help you find the magic in the every day, and create memories you will cherish forever. PRE-ORDER THE HYGGE HOME, THE NEW BOOK FROM THE AUTHOR OF THE LITTLE BOOK OF HYGGE

What's the actual secret to happiness? Great memories! Meik Wiking-happiness researcher and New York Times bestselling author of The Little Book of Hygge and The Little Book of Lykke-shows us how to create memories that make life sweet in this charming book. Do you remember your first kiss? The day you graduated? Your favorite vacation? Or the best meal you ever had? Memories are the cornerstones of our identity, shaping who we are, how we act, and how we feel. In his work as a happiness researcher, Meik Wiking has learned that people are happier if they hold a positive, nostalgic view of the past. But how do we make and keep the memories that bring us lasting joy? The Art of Making Memories examines how mental images are made, stored, and recalled in our brains, as well as the "art of letting go"-why we tend to forget certain moments to make room for deeper, more meaningful ones. Meik uses data, interviews, global surveys, and real-life experiments to explain the nuances of nostalgia and the different ways we form memories around our experiences and recall them-revealing the power that a "first time" has on our recollections, and why a piece of music, a smell, or a taste can unexpectedly conjure a moment from the past. Ultimately, Meik shows how we each can create warm memories that will stay with us for years. Combining his signature charm with Scandinavian forthrightness, filled with infographics, illustrations, and photographs, and featuring "Happy Memory Tips," The Art of Making Memories is an inspiration meditation and practical handbook filled with ideas to help us make the memories that will bring us joy throughout our lives.

"A collection of seven short stories for young children, each with a happy, positive ending. The individual stories are about animals, pets, lighthouses, Halloween, and robots."--

Why is art magical? How can it make us happy? How Art Can Make You Happy offers the keys to unlocking a rich and rewarding source of joy in life. This easy, breezy handbook is full of insight that will help regular people begin a more inspiring and less stressful relationship with art. With tips on how to visit museums, how to talk about art at cocktail parties, and how to let art wake you up to the world around you, this little guide makes it possible for anyone to fall in love with art, whether for the first time or all over again.

Booklet 5 contains computer art drawings reflecting on Happy Times and fictional happy places. This paperback edition is the "Travel Gift Version" to give to friends who are planning on taking a milestone vacation.

A comprehensive, upbeat guide to help you survive the moving process from start to finish, filled with fresh strategies and checklists for timing and supplies, choosing which items to toss and which to keep, determining the best place to live, saying farewell and looking forward to hello. Moving is a major life change-time consuming, expensive, often overwhelming, and sometimes scary. But it doesn't have to be! Instead of looking it as a burdensome chore, consider it a new adventure. Ali Wenzke and her husband moved ten times in eleven years, living in seven states across the U.S. She created her popular blog, The Art of Happy Moving, to help others build a happier life before, during, and after a move. Infused with her infectious optimistic spirit, The Art of Happy Moving builds on her blog, offering step-by-step guidance, much-needed comfort, practical information, and welcome advice on every step of the process, including: How to stage your home for prospective buyers How to choose your next neighborhood How to discard your belongings and organize your packing How to say goodbye to your friends How to make the transition easier for your kids How to decorate your new home How to build a new community And so much more. Ali shares invaluable personal anecdotes from her many moves, and packs each chapter with a wealth of information and ingenious tips (Did you know that if you have an extra-large welcome mat at the entrance of your home, it's more likely to sell?). Ali also includes checklists for packing and staging, and agendas for the big moving day. Whether you're a relocating professional, newly married, a family with kids and pets, or a retiree looking to downsize, The Art of Happy Moving will help you discover ways to help make your transition an easier one-and be even happier than you were before.

The continuous story of a love affair, written in free verse, the sadness of happy times, with simplicity and gentleness, transverses the varied experiences of the search for love - the expectancy, the eager grasping of each tender moment, the highs when we feel sure that this is it, the heartbreak of love lost. Originally published in 1971, this acclaimed book of poetry, which has sold over 50,000 copies in print, is now available in this special ebook edition. Among its many reviews are:WMCA RADIO: "this is a book of good poetry: a continuous story of a love affair . . .many of the pieces approach or achieve excellence . . .demands the attention of ever admitted incurable romantic, and more than a notice from many of the rest of us who hesitate to admit we are." LONG ISLAND PRESS: ". . . potent volume of love poems which will find sympathetic echoes in your heart - perhaps too painful if you are newly fallen out of love . . . with simplicity and gentleness, Duro traverses the varied experiences of our search for ideal love - the expectancy, the eager grasping of each moment, the highs when we feel sure that this is it, the heartbreak of love lost."WABC TV (AM NEW YORK): ". . . after reading 'the sadness of happy times,' i know that Lou Duro is a great poet . . . i eagerly await his next volume."WCBS RADIO: "If you have ever been in love and been hurt read the sadness of happy times. Lou Duro tenderly puts into a few words what you have been trying to say all this time." NEW YORK DAILY NEWS: ". . . tenderly written book well worth reading."WBAB RADIO: "we can all see ourselves mirrored perfectly . . . an experience in poetry that should be felt, rather than just read, by all of us."
