Kyrie Irving HoopHandbook Signature Workout Program on ...

Many core training regimes isolate and target muscles of the back and abdominals in order to challenge stability and/or strength. Common training positions include lying prone or supine on a flat surface or on a training tool such as a stability ball. Standing activities requiring static balance are also common and are performed on a stable or unstable surface.

Many core training regimes isolate and target muscles of ...

Work On Your Game: 1) The Discipline to show up day after day to do the work. 2) The Confidence to put yourself out there -- boldly and authentically. 3) The Mental Toughness to continue showing up and putting yourself out there, even when the success you've expected hasn't yet happened. 4) The Person
