When someone from the writing business writes a book and calls it "How To Write A Blockbuster" - I think you are entitled to expect more than this book delivers. It contains nothing new - nothing that the average writer would not already have heard one hundred times from one hundred other "how to write" books.

~~How to Write a Blockbuster Teach Yourself Creative Writing ...~~

Technique 1: The Myth Genre. The first blockbuster story element has to do with the genre you use to tell your story. A genre is a particular kind of story, like detective, action or comedy. When Hollywood was selling primarily to an American audience, executives thought that movie stars were the key to a hit film.

~~5 Keys to Writing a Summer Blockbuster - Writers Store~~

Step 1 - Write what you know. This step seems to be the most obvious but isn't always so. It can be difficult to narrow down the subject matter, genre, and core content of the novel you want to write, but the best way to get started is to ask yourself two important questions: What topic(s) do I know a lot about? (Remember, the more unique, the better)

~~Writing a Blockbuster Novel - ServiceSeape~~

Brainstorm two words that describe your personality. Find words and phrases that are synonymous or associated with these two keywords. Let that serve as your swipe file of personality power words and use them in your writing. Create an imaginary reader, name them, and write like you're having a conversation with that ONE person.
