I don't want to be any  
more. I'm so tired and  
I'm sick of being such a  
useless waste of skin.

I've been on and off  
antidepressants for years  
and I hate what they do  
to me but I know that's  
the only "help" I'd get  
were I to see a doctor. I  
spent a lot of time as an  
inpatient in my teenage  
years and I don't feel  
like I'm salvageable.
