'Find your tribe,' she says. Finding your people is more important than what kind of house you live in. Decide whether you've found your tribe and go from there. I believe her. The cove is my tribe and the cove is mine. My babies stand with soggy shoes on the shore, skidding on wet stones and cheer as their Momma plunges to her salvation.

I Found My Tribe: A Memoir: Fitzmaurice, Ruth ...

I have found my tribes shifting as I go through life. There ' s the adjustment from college to work, and then things change in your 30s as friends get married and have children. People continue to move. My tribe is different than it was 25 years ago, yet the people from childhood and college who were nearest and dearest to me are still in my life.
