If These Walls Could Talk (1996)
Three half hour movies with three distinct casts (each featuring a superstar) and each tied together by occurring in the same house, each twenty years apart. In each episode, a woman needs an abortion, and with great realism and sometimes great drama, they deal with the problem in terms of the era they were born into.

HBO caused a stir when it aired *If These Walls Could Talk*, a portrait of three women from three generations (all who occupied the same house at various times) who had unwanted pregnancies. HBO utilizes the same gimmick in the sequel, this time telling the story of women who love women. The three stories of *If These Walls Could Talk 2* are uneven.
