The number of schools that call themselves international is growing exponentially. In addition many other schools are exploring the concept of international-mindedness and what that might mean in the contemporary world of globalisation. This book sets out to provide a critical perspective on current issues facing 'international schooling', particularly the conflict between 'internationalising' and 'globalising' tendencies and to explore these as they affect teaching and learning, curriculum, pedagogy and assessment as well as to explore the contribution international schools might make to the achievement of global citizenship. It is the first book to critically analyse the ambiguities, tensions and conflicts that face those involved with and researching, international schools and their role in global networking. Issues addressed include: the political economy of international schools (Hugh Lauder and Ceri Brown) their relations to global and local cultures, global markets and civil society (Richard Bates) the role of international schools in global networking (Michael Wylie) the micropolitics of such schools (Richard Caffyn) the growth complexity and challenges facing the International Baccalaureate (Tristan Bunnell) the future demands for and of teachers in international schools (Mary Hayden and Jeff Thompson) the nature of teaching and learning in international schools (Helen Fail) the problematic idea of an international curriculum (Jim Cambridge) issues facing international assessment (Richard Bates) the challenge of education for global citizenship (Harriet Marshall). This provocative book will be essential reading for those teaching in, leading and governing international schools in countries around the world, as well as those who contemplating entering the rapidly expanding world of international schooling.

The Success International series offers a practical approach to language learning and support. Success International English Skills for Cambridge IGCSE® Workbook is designed to give students further practise and support when studying for the Cambridge IGCSE® in English as a Second Language. The Workbook consolidates and tests the understanding of the language and themes in the Student's Book, supporting students both in the classroom and in individual study. The Workbook offers a wide range of stimulating and challenging exercises, including work on vocabulary development, spelling, punctuation, tone, register, writing style, grammar and comprehension. Answers to both the Student's Book and the Workbook are available in the Teacher's Book.

Collins IGCSE® French provides comprehensive coverage of the Cambridge IGCSE French (0520) syllabus. With a clear structure and engaging content, the Student's Book has been carefully planned around topic-based units so that language and skills are taught in context. The course takes a skills-based communicative approach with equal coverage given to all four skills: reading, writing, listening and speaking. Content is relevant to the age group and so provides engaging and motivating learning opportunities in real-world contexts. All topics, grammar and vocabulary are mapped to the syllabus, with clear learning objectives highlighted for each section of each unit. Units follow a carefully-planned, consistent structure allowing for reinforcement and progression at every stage. The course caters for all levels of ability, including the needs of students with less experience of French or those who need more support. It also provides extension activities for those students who require an extra challenge, and aims to encourage all students to develop their higher-order thinking skills. The layout of the book is clear and accessible, with boxed features highlighting key points of grammar, vocabulary or suggestions for taking things further. The opportunity to review is key and there are various Check-up and Review sections which encourage students to reflect on their progress. Each unit also contains a useful vocabulary section for ease of reference. To encourage students to broaden their perspectives, there are 'Français en action' sections in every unit which offer stimulating, thought-provoking and enjoyable insights into the culture and society of Francophone countries. Opportunity for practice, consolidation and revision is provided throughout the course, with exam-style questions included to help students develop their skills for success.
