Real estate investing has created more millionaires than any other investment vehicle in this country. Real estate flipping refers to the practice of finding a property that is for sale -- usually priced below-market -- and then selling it soon after it is bought for a quick profit. Finally there's a comprehensive, no-nonsense book that teaches you everything you need to build wealth through flipping properties quickly, legally, and ethically. You don't need great credit, a real estate license, or large sums of capital or experience to get started. There has never been a better time to invest in real estate than today. This new book offers first-time and returning real estate investors tactics for making a fortune. Even if you have little or no money, you can find success in real estate investing by 'flipping'. Flipping properties can be a part-time or full-time business for anybody. You will learn all of the paperwork involved in real estate transactions, including deeds, mortgages, contracts, notes, and titles; new FHA regulations; how to begin investing with little or no cash; locate opportunities; work with real estate agents; increase curb appeal; locate the financing you need; and most importantly, purchase properties for pennies on the dollar and prepare them for a quick sale. The book is loaded with case studies and success stories -- from real people. You will uncover secrets that expert real estate investors use every day. This comprehensive resource contains a wealth of modern tips and strategies for getting started in this very lucrative area of real estate investing

Problem: People are tired of feeling powerless and uninformed when dealing with insurance. Solution: At last, here you'll find the inside tips that will enable you to save money, time, and avoid frustration when buying or renewing your insurance. Dear Friend: If you're like most people, you're paying too much on your insurance premiums and should know that there are "untold" ways to save money and prevent aggravation. But unless you were privy to the "inside tips" that most insurance professionals know about, you wouldn't have a clue as to how you could save as much as possible. Well, here's your chance to get the secrets that some don't volunteer to share. Listed below are just some of the things you'll learn in "Insurance Secrets Revealed," to start putting cash back into YOUR pocket, take better control, and protect yourself & family right away: - Learn the one simple "secret" that could save hundreds or thousands of dollars off of a homeowners or auto insurance premium immediately! - Discover the one thing that's overlooked by most people and causes them to overpay month after month - Learn the "special questions" to ask an insurance company or agent that can save you money off of your quote or premium - Discover how and when an insurance company can fix your car, even if you only have liability coverage - Learn "Secrets" to saving money when insuring younger drivers - How to prevent paying "out of pocket" (despite having insurance) to your finance or leasing company after a major accident - Discover 12 important insurance products you must know about NOW! - How to inexpensively cover yourself against major lawsuits - How to really buy auto insurance and what you should be asking for - How to choose a good insurance company before it's too late - Learn what to include in your policy, to get more money for your home or auto claim - How to get life insurance death benefits WHILE YOU'RE STILL LIVING (most people are absolutely shocked by this, and no, it's not the accumulated cash value of the policy.) - Find out these important tips to keep from being "penalized" or cancelled by your insurance company - Learn the difference between buying insurance through agents, brokers, and buying direct (there is a difference) - Find out things you should know about the claims process, that perhaps no one ever told you! - Discover what every homeowner should know about mold, where to go for help, and much more! DON'T RELY SOLELY ON AGENTS OR SALES REPS TO TELL YOU HOW TO SAVE ON, OR BUY INSURANCE! Insurance is a serious topic and the truth of the matter is that most people don't have a clue as to what they're getting or what they should be asking for when talking to an insurance agent. Not knowing what to buy or what type of policy is best for your situation can cost you and your family BIG TIME by leaving you at the mercy of an insurance salesperson's lack of experience, knowledge and/or concern. To be honest, you have a right to know all you can without being an insurance agent yourself. This is why this information is now being revealed, so consumers like yourself can be put on a level playing field, compared to people that just blindly buy insurance everyday, pay more than they have to, and walk away with inadequate protection. Friend, don't let a lack of knowledge keep you from empowering yourself! This is the type of straight-up information that you need, "real world" info that will tell you like it really is, (something rarely found elsewhere). Now is the time to stop being vulnerable and seize control by becoming an informed buyer! Get your copy today! "Insurance Secrets Revealed by award-winning insurance agent and expert, Rodger Nelson, is a highly practical guide filled from cover to cover with money-saving advice that the insurance companies themselves will never voluntarily reveal to prospective policyholders. Individual chapters cogently address pertinent issues ranging from untold "secrets" of life insurance; solid tips for protecting a business through insurance; insuring against threats to personal finances; and much, much more. As home prices in the U.S. hit record highs, Mexico has emerged as a solid contender for people who are considering either buying second homes or investing in a holiday home or future retirement properties. The U.S. State Department estimates that there are 385,000 Americans permanently living in Mexico. This book details precisely what to look for in real estate investments and buying prospects, as well as how to find the best opportunities, buy with little or no money down, decide where to purchase, and how to choose and hire a realtor. You also will become knowledgeable about negotiating and financing, budgets, home-buying timelines, the process of building a house, homeowners' insurance, creative financing, closing and settlement inspections, legal contracts, what you can afford, and which government agencies can help. This book is a must-have for the investor considering a second home below the border.

In these troubled economic times a home is a precious commodity. Protecting that investment has never been more important for homeowners and property owners. When Mother Nature or good old fashion bad luck cause damage to a property, homeowners turn to their insurers to help them restore their property. Insurers, meanwhile, are as equally interested in enhancing their bottom lines as homeowners are in protecting their investment. When these interests collide, the claim game begins and the fight to protect your home and get what is owed you becomes a high stakes game of chance. Without the right guidance, without knowing the Rules of the Game--rules written by and for the insurers--you could find yourself on the losing end. The Claim Game levels the playing field between homeowners and insurers by giving homeowners the knowledge and tools needed to empower themselves so that they can get every penny owed them and claim victory. Discover the secrets to homeowner insurance settlement with the only step-by-step guide to property insurance claims written by an insurance insider. Exposing little-known methods that enable you to expedite your claim and get every penny owed you, The Claim Game is your comprehensive resource for homeowners insurance and property damage claims. The Claim Game will teach you how to: - Settle claims quickly and fairly. - Reduce or eliminate your deductible. - Decipher a policy so it makes sense. - Discover hidden coverages that protect you and save money. - Organize claim information to expedite your claim. - Get a denied claim covered. - Understand an estimate from a contractor or an insurer. - Select the right contractor to repair your home or property. Also included: - Claim-specific guidance for many types of losses including hurricane, tornado, earthquake, hail, fire and many others. - An in-depth exploration of the most common issues and concerns homeowners encounter. Don't let what you DON'T know cost you!
