## Irvine Two Stroke Spares – Just Engines

I've been given an unused Irvine .40 Mk II ie the older Silver  
version with plastic carb. I'm looking for some info in running it in  
ie prop's to use . It would be great if someone has a copy of a  
manual/data sheet for this engine. PatMc: 23/11/2014 00:09:24:  
4501 forum posts 548 photos: Here you go, full manual :

Help please with a Irvine .40 Mk II - manual/datasheet ...

I have a good link with manuals of various engines I'll post as soon  
as I find it. If you email Hobbico they sometimes have older

Also got a Mk1 ASP 46 aero engine, the original early 90's version and can't fault it, having power, reliable idle and instant transition - even better than some OS's. Also seen a old ASP 32 blue head that was atrocious, never gave a reliable flight, but today's ASP/SC/Magnum are just as good as OS/Irvine, cheaper and parts are cheaper.
