Some people own a dog, whilst others are owned by their dogs – but either way the relationship between each is unique and special. Dogs come into our lives, bringing with them a level of devotion never before experienced . They make us laugh at their antics and funny ways, and when they leave us after a life-too-short, they break our hearts and leave our homes empty and echoing. This book is a collection of stories, photographs and illustrations that will make you laugh and cry. The stories are based on real dogs, who have been lovingly recreated by Stephanie as handmade felt models. A book that will appeal to both creative felt-makers and dog lovers alike. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 11.0px Arial}

This is the story of the development of the West Highland White Terrier, a breed of dog beloved the world around.

From the author of the critically acclaimed Blue Plate series comes the second novel in the How To Score series about a rescue dog shelter owner and a wide receiver who needs a little rescuing himself. Caught between the media 's crosshairs and his own questionable decisions, Colorado Blizzards wide receiver Chris Lalonde has a choice: watch his storied career burn to the ground or rehab his bad-boy image at the local dog shelter. His goal: rescue the oldest, saddest, most mange-infested canines in the hopes that the pups can rescue his reputation in return. What he doesn ' t expect? Hazel Grant, shelter owner, do-gooder, and beautiful all-American girl next door. She has no time for Chris ' s excuses, antics, or cheesy pick-up lines...challenge accepted. Hazel Grant can ' t believe she got saddled with Denver ' s cockiest—and most eligible—football player for a volunteer—she needs people she can trust and count on, not a man packaged in abs and wrapped in confidence who thinks scoring touchdowns is an honest day ' s work. But since the shelter is in need of some serious TLC, she can ' t afford to turn away help. Chris and Hazel get along like cats and dogs. But when it comes to Chris Lalonde, there ' s a new surprise around every corner, and Hazel finds that, like the pups she cares for, Chris has hidden depths, secret talents, and meets every test she throws at him. As the pressure mounts to save the shelter—and Chris ' s career—lust bubbles to the surface, and suddenly love becomes anybody ' s game...

"Expert pet author Terry Albert, veterinarian Deb Eldredge, and breeder Alan Gunther team up to cover each stage your golden retriever puppy will go through, detailing everything you need to be aware of and do during each phase."--Page four of cover.

The true story of Elton John ' s meteoric rise from obscurity to worldwide celebrity in the weird, wild 1970s, based on rare one-on-one interviews with the Rocket Man himself—now the subject of a major motion picture. In August 1970, Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles. Over the next five years, the artist formerly known as Reginald Dwight went from unheard of to unstoppable, scoring seven consecutive #1 albums and sixteen Top Ten singles in America. By the middle of the decade, he was solely responsible for 2 percent of global record sales. One in fifty albums sold in the world bore his name. Elton John ' s live shows became raucous theatrical extravaganzas, attended by all the glitterati of the era. But beneath the spangled bodysuits and oversized eyeglasses, Elton was a desperately shy man, conflicted about his success, his sexuality, and his narcotic indulgences. In 1975, at the height of his fame, he attempted suicide. After coming out as bisexual in a controversial Rolling Stone interview that nearly wrecked his career, and announcing his retirement from live performance in 1977 at the age of thirty, he gradually found his way back to the thing he cared about most: the music. Captain Fantastic gives readers a behind-the-scenes look at the rise, fall, and return to glory of one of the world ' s most

mercurial performers. Rock journalist Tom Doyle's insider account of the Rocket Man's turbulent ascent is based on a series of one-on-one interviews in which Elton laid bare many previously unrevealed details of his early career. Here is an intimate exploration of Elton's working relationship with songwriting partner Bernie Taupin, whose lyrics often chronicled the ups and downs of their life together in the spotlight. Through these pages pass a parade of legends whose paths crossed with Elton's during the decade—including John Lennon, Bob Dylan, Groucho Marx, Katharine Hepburn, Princess Margaret, Elvis Presley, and an acid-damaged Brian Wilson. A fascinating portrait of the artist at the apex of his celebrity, *Captain Fantastic* takes us on a rollicking fame-and-drug-fueled ride aboard Elton John's rocket ship to superstardom. Praise for *Captain Fantastic* “ Veteran rock journalist [Tom] Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star. . . . In chronicling Elton John's stratospheric rise to fame, replete with platinum records, increasingly outlandish stage shows, and mountains of cash, the author deftly manages to keep his subject in sharp focus. Based on hours of one-on-one interviews with *Captain Fantastic* himself, this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records. . . . A great way to better understand the man behind the garish glasses and platform boots. ” —Kirkus Reviews “ In this adoring and candid set of fan's notes, music journalist Doyle (*Man on the Run*) draws on interviews with John and his colleagues, especially his writing partner, Bernie Taupin, to capture the meteoric rise and fall of the man who released at least one album every year of the 1970s. . . . This energetic book . . . makes a convincing case that John reached his peak and made his best music in the '70s. ” —Publishers Weekly “ A breezy and surprisingly poignant romp through a decade, and a career, that effectively invented modern celebrity culture. ” —Peter Doggett, author of *You Never Give Me Your Money: The Beatles After the Breakup*

Wonderfully expressive portraits show the adorable delight of puppies--from newborns to one-year-olds--in this irresistible photography gift book.

Explains the ins and outs of dog ownership, dog training, and popular dog breeds.

Ears flapping, eyes wide and nose twitching: a dog hanging out of a window is a spectacular sight. Capturing these moments of delight and canine curiosity, this book is an anthology of beautiful photographs of man's best friend in motion. Dogs of all shapes and sizes from all over the world, majestically alert and gazing triumphantly towards the horizon. Whether cute, powerful, uplifting or heart-warming, these striking images stir up the emotions of joy we feel towards our loveable companions. In over ninety-five stunning portraits, this collection showcases some of the best and most vibrant pet photography from around the globe.

New York Times bestselling author and photographer Seth Casteel's follow-up to the phenomenal *Underwater Dogs* -- now with puppies. The world fell in love with swimming canines in Seth Casteel's first book, *Underwater Dogs*. Now, in more than 80 previously unpublished portraits of underwater puppies, we see man's best friends at their most playful and exuberant. Each vibrant and colorful underwater image shows off the wild and sublime range of emotions of puppies, cute and irresistible to the very last.
