Reexamines the ideology of the two most prominent leaders of the civil rights movement of the 1960s

This groundbreaking and highly acclaimed work examines the two most influential African-American leaders of this century. While Martin Luther King, Jr., saw America as "a dream . . . Cone cuts through superficial assessments of King and Malcolm as polar opposites to reveal two men whose visions were moving toward convergence. (Orbis Books)

This dual biography of Malcolm X and Martin Luther King upends longstanding preconceptions to transform our understanding of the twentieth century's most iconic African American leaders. To most Americans, Malcolm X and Martin

Online Library Martin And Malcolm America A Dream

Luther King Jr represent contrasting ideals: self-defense vs. nonviolence, black power vs. civil rights, the sword vs. the shield. The struggle for black freedom is wrought with the same contrasts. While nonviolent direct action is remembered as an unassailable part of American democracy, the movement's militancy is either vilified or erased outright. In *The Sword and the Shield*, Peniel E. Joseph upends these misconceptions and reveals a nuanced portrait of two men who, despite markedly different backgrounds, inspired and pushed each other throughout their adult lives. This is a strikingly revisionist biography, not only of Malcolm and Martin, but also of the movement and era they came to define.

Online Library Martin And Malcolm America A Dream

"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." — Ibram X. Kendi, #1 New York Times bestselling author of How to Be an Antiracist and National Book Award winner Stamped from the Beginning Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black

nonfiction books of 2021" Berdis Baldwin, Alberta King, and Louise Little were all born at the beginning of the 20th century and forced to contend with the prejudices of Jim Crow as Black women. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant

Online Library Martin And Malcolm America A Dream

discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America ' s racist practices and led to ramifications for all three families ' safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

One man dreamed of a country united in true racial equality. Another saw this as a nightmare that served only the interest of wealthy whites. Both were sons of Baptist ministers. Both grew up to be icons of the civil

rights movement. This book explores Martin Luther King, Jr.'s dream and much more.

The civil rights movement 's most prominent leaders, Martin Luther King, Jr. (1929–1968) and Malcolm X (1925–1965), represent two wings of the revolt against racism: nonviolent resistance and revolution "by any means necessary." This volume presents the two leaders ' relationship to the civil rights movement beyond a simplified dualism. A rich selection of speeches, essays, and excerpts from Malcolm X ' s autobiography and King ' s sermons shows the breadth and range of each man ' s philosophy, demonstrating their differences, similarities, and evolution over time. Organized into six topical groups, the

Online Library Martin And Malcolm America A Dream

documents allow students to compare the leaders' views on subjects including integration, the American dream, means of struggle, and opposing racial philosophies. An interpretive introductory essay, chronology, selected bibliography, document headnotes, and questions for consideration provide further pedagogical support.

With knowledge, spirit, good humor, and passion, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. brings to life a remarkable man whose thoughts and actions speak to our most burning contemporary issues and still inspire the desires, hopes, and dreams of us all. Written in his own words, this history-making autobiography is Martin Luther King: the mild-mannered, inquisitive child

Online Library Martin And Malcolm America A Dream

and student who chafed under and eventually rebelled against segregation; the dedicated young minister who continually questioned the depths of his faith and the limits of his wisdom; the loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement; and the reflective, world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, THE AUTOBIOGRAPHY OF MARTIN LUTHER KING, JR. offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It also paints a rich and moving portrait of a people, a time, and a nation in the face of powerful

Online Library Martin And Malcolm America A Dream

change. Finally, it shows how everyday Americans from all walks of life confronted themselves, each other, and the burden of the past-and how their fears and courage helped shape our future.

"We've got some difficult days ahead," civil rights activist Martin Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality

Online Library Martin And Malcolm America A Dream

became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.

A revealing collection that restores Dr. King as being every bit as radical as Malcolm X “ The radical King was a democratic socialist who sided with poor and working people in the class struggle taking place in capitalist societies. . . . The response of the

Online Library Martin And Malcolm America A Dream

radical King to our catastrophic moment can be put in one word: revolution—a revolution in our priorities, a reevaluation of our values, a reinvigoration of our public life, and a fundamental transformation of our way of thinking and living that promotes a transfer of power from oligarchs and plutocrats to everyday people and ordinary citizens. . . . Could it be that we know so little of the radical King because such courage defies our market-driven world? ” —Cornel West, from the Introduction Every year, Dr. Martin Luther King, Jr., is celebrated as one of the greatest orators in US history, an ambassador for nonviolence who became perhaps the most recognizable leader of the civil rights movement. But after more than forty years, few people

Online Library Martin And Malcolm America A Dream

appreciate how truly radical he was. Arranged thematically in four parts, *The Radical King* includes twenty-three selections, curated and introduced by Dr. Cornel West, that illustrate King's revolutionary vision, underscoring his identification with the poor, his unapologetic opposition to the Vietnam War, and his crusade against global imperialism. As West writes, "Although much of America did not know the radical King—and too few know today—the FBI and US government did. They called him 'the most dangerous man in America.' . . . This book unearths a radical King that we can no longer sanitize."

REA's MAXnotes for Alex Haley's **The Autobiography of Malcolm X**
MAXnotes offer a fresh look at

Online Library Martin And Malcolm America A Dream

masterpieces of literature, presented in a lively and interesting fashion. Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed, and has study questions and answers.

Amazon.com Review Malcolm X's

Online Library Martin And Malcolm America A Dream

searing memoir belongs on the small shelf of great autobiographies. The reasons are many: the blistering honesty with which he recounts his transformation from a bitter, self-destructive petty criminal into an articulate political activist, the continued relevance of his militant analysis of white racism, and his emphasis on self-respect and self-help for African Americans. And there's the vividness with which he depicts black popular culture--try as he might to criticize those lindy hops at Boston's Roseland dance hall from the perspective of his Muslim faith, he can't help but make them sound pretty wonderful. These are but a few examples. The Autobiography of Malcolm X limns an archetypal journey from ignorance and despair to knowledge and spiritual

Online Library Martin And Malcolm America A Dream

awakening. When Malcolm tells coauthor Alex Haley, "People don't realize how a man's whole life can be changed by one book," he voices the central belief underpinning every attempt to set down a personal story as an example for others. Although many believe his ethic was directly opposed to Martin Luther King Jr.'s during the civil rights struggle of the '60s, the two were not so different. Malcolm may have displayed a most un-Christian distaste for loving his enemies, but he understood with King that love of God and love of self are the necessary first steps on the road to freedom. --Wendy Smith Review Biography, published in 1965, of the American black militant religious leader and activist who was born Malcolm Little. Written by Alex Haley, who had conducted extensive

Online Library Martin And Malcolm America A Dream

audiotaped interviews with Malcolm X just before his assassination in 1965, the book gained renown as a classic work on black American experience. The Autobiography recounts the life of Malcolm X from his traumatic childhood plagued by racism to his years as a drug dealer and pimp, his conversion to the Black Muslim sect (Nation of Islam) while in prison for burglary, his subsequent years of militant activism, and the turn late in his life to more orthodox Islam. --The Merriam-Webster Encyclopedia of Literature
