A parody of Victorian erotica features drawings with missing portions to be supplied by the reader's hand

The Victorian era is often regarded as a very austere period, but *Amorous Congress: A Collection of New Victorian Erotica* demonstrates that this was not always the case at all. Award-winning editor F. Leonora Solomon has curated stories by outstanding contemporary erotica writers who reimagine the sensual sensibilities of the 19th century in decadent stories. *Amorous Congress* takes the reader to another time filled with poor houses and brothels, secret societies and manor houses—even some of Charles Dickens characters make an appearance. Languid, corseted and gloved, *Amorous Congress* is a titillating read that guarantees happy endings of all varieties. Starting with an entrepreneurial young woman whose sensuality leads her into an unexpected career, and ending with advances in technology that give the 21st century something to aspire to, *Amorous Congress* is our erotic reimagining of an era that continues to entice us.

Now that Pamela has turned 18, the couple that have fostered her since 15 require her to seek employment. Before she departs however Mr Rumpole takes it upon himself to intimately inspect the young woman for who he has harboured a particularly lascivious desire. Naive in the ways of the flesh, Pamela soon loses herself in the dizzying heights of ecstasy. When all her assets are fully explored, she is left with a wanton urge to pass on her training to everyone she becomes so acquainted, man, woman, young, and old alike. In her new position as Governess, this libertine will also find new satisfaction in applying the birch and rod to her mischievous charges. Written anonymously in 1895 and in the same graphically licentious vein as *Flossie and First Training*, *Venus in the Country* is a deliciously fine example of Victorian erotica.

*The Way of a Man with a Maid* (1908) is an erotic novel. Published anonymously, *The Way of a Man with a Maid* has long attracted controversy for its graphic depiction of rape, abuse, and incest, and continues to be read today as an important example of popular British erotica of the early twentieth century. Alternating between descriptions of sadomasochistic sex, the narrator's vindictive interior monologue, and a dark humor woven throughout, *The Way of a Man with a Maid* provides insight into the sexual fantasies of men from a bygone era. "I, the man, will not take up the time of my readers by detailing the circumstances under which Alice, the maid, roused in me the desire for vengeance which resulted in the way I adopted and which I am about to relate. Suffice it then to say that Alice cruelly and unjustifiably jilted me! In my bitterness of spirit, I swore that if I ever had an opportunity of getting hold of her, I would make her voluptuous person recompense me for my disappointment..." Casting himself as a

## Download Ebook More Naughty Victoriana

sworn enemy of womankind, Jack, a jaded English gentleman, roams the streets in search of women to corrupt. As his power grows, increasing his circle of accomplices, he performs more daring—and often more disturbing—sexual acts. This graphic exploration of taboo, torture, and desire remains an important text in the history of erotica and obscenity laws, pushing the boundaries of Edwardian society while continuing to challenge our own. With a beautifully designed cover and professionally typeset manuscript, this edition of *The Way of a Man with a Maid* is a classic work of erotica reimagined for modern readers.

*Neo-Victorian Villains* offers a varied and stimulating range of essays on the afterlives of Victorian villains in popular culture, exploring their representation and adaptation in neo-Victorian drama and fiction.

Between the amorous antique dealer Humphrey and his good-looking nephew James glides the magnificent Leonora, delicate as porcelain, cool as ice. Can she keep James in her thrall? Or will he be taken from her by a lover, like Phoebe . . . or Ned, the wicked American? 'A highly distinctive and - ultimately - charitable novel' *Financial Times* 'Faultless' *Guardian* 'Her Characters are all meticulously impaled on the delicate pins of a wit that is as scrupulous as it is deadly' *Observer* 'A coldly funny book' *Sunday Telegraph* 'Highly distinctive . . . the critics who have recently insisted on Miss Pym's too long neglected gifts have not been wrong' *Financial Times*
