WORD UP My Life is Not My Own By Laura J. Bagby CBN.com Sr. Producer .  
CBN.com – As Christians, we can get really off track in our walk with God when we start thinking in terms of me instead of in terms of Him, the sovereign Lord.. We fallaciously conclude that it's my life, it's my ministry, those are my talents, and that's my money to spend the way that I want to.

In *My Life is Not My Own*, Dr. Bright contends that his kingdom victories had little to do with his own excellence and everything to do with becoming a "royal slave" to the King of kings. Dr. Bright examines a perspective common to first-century Christians. The earliest believers did not see themselves as God's hired servants; instead, they viewed themselves as "royal slaves," permanent members in God's household, under His authority and called to His business. Readers will be dared to make the ultimate choice and become slaves to Jesus Christ.

"Never once in my life had I dreamed of being in bed with a convicted killer." For almost six turbulent years, award-winning writer Diane Schoemperlen was involved with a prison inmate serving a life sentence for second-degree murder. The relationship surprised no one more than her. How do you fall in love with a man with a violent past? *This Is Not My Life* is the story of the romance between Diane and Shane—how they met and fell in love, how they navigated the obstacles of passes and visits and parole hearings and, eventually, how things fell apart, were reconciled and then fell apart for good. In this candid, often wry, sometimes disturbing memoir, Schoemperlen takes us inside a complex and difficult relationship as she journeys through the prison system with Shane. Not only did this experience enlarge her capacity for both empathy and compassion, but it also forced her to more deeply examine herself.

Is This as Good as It Gets? Personal crises and disappointments have led many to the pessimistic conclusion that "my life sucks." Underneath the contemporary slang are universal and timeless questions about the human condition. People of every age, in every kind of circumstance have wondered to themselves and others: Will my life ever be better than this? Is this as good as it gets? This book is an honest and compassionate look at the real struggles we face in a broken world where bad things do happen. Dr. Ramon Presson, a licensed marriage & family

therapist for 30 years, describes his own significant personal struggles, including hospitalization for depression. Using the letter that Paul wrote to the Philippians from prison, Presson shares that hope and joy are possible even when life disappoints. Full of practical suggestions for how you can live with purpose and meaning right in the middle of your everyday struggles, this revised and updated edition of *When Will My Life Not Suck?* is a hopeful treatment of human suffering from someone who has personally lived it and counseled others through the wilderness.

In *Love Your Life, Not Theirs*, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In *Love Your Life, Not Theirs*, Rachel shows you how to buy and do the things that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "Love Your Life, Not Theirs is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, NBC TODAY and Host of *HerMoney* with Jean Chatzky Podcast

Colette Keefe brings us an emotional, poignant account of her turbulent childhood in which she was physically, emotionally, and sexually abused. Into her adulthood, these traumatic experiences manifested themselves in an array of mental illnesses, including depression and Obsessive Compulsive Disorder. When a tragedy strikes, Colette is forced to confront her issues, despite the stigma and shame associated with these misunderstood problems. What begins is a courageous road to healing, which continues today. Her story of reclaiming her life is an inspiration for anyone who has experienced abuse or dealt with mental illness. It is a book about acceptance, forgiveness, and ongoing recovery.

This book is a full account of my life over 59yrs. It might not seem long to most people, but when confused and at a loss as to what to do it is a life time. I hope it shows how letting life's excitement rule instead of dealing with my condition totally wrecked my life.

Burt Prelutsky, award-winning humor columnist and movie critic for the Los Angeles Times, has also written for The New York Times, TV Guide, Modern Maturity, Emmy, Holiday, American Film, and Sports Illustrated. He has also written episodes of television shows you may remember, including Dragnet, McMillan & Wife, M\*A\*S\*H, Mary Tyler Moore, Rhoda, The Bob Newhart Show, Family Ties, Dr. Quinn, and Diagnosis Murder. Jean Stapleton, Ed Asner, Keith Carradine, Mare Winningham, Jean Simmons, Jack Warden, Barnard Hughes, Richard Thomas, Sharon Gless, Sylvia Sidney, Harold Gould, and Lillian Gish owe some of their later successes to Burt. Not exactly a memoir, his fifty-year and often hilarious career assorted notables, nut cases, and celebrated friends, such as Groucho Marx, Oscar Levant, Billy Wilder, Tiny Tim, Ginger Rogers, Spiro Agnew, Jimmy Stewart, Norman Lear, George Kennedy, Susan Strasberg, Andy Warhol, Jack Palance, Bob Hope, Jill St. John, George C. Scott, Dick Van Dyke, George Burns, Farrah Fawcett, Gene Kelly, Jack Webb, Stan Laurel, Dalton Trumbo, Burt Reynolds, Lizabeth Scott, Dana Andrews, William Peter Blatty, Diane Sawyer, George Carlin, Orson Bean, William Saroyan, Carol Burnett and . . . Sonny Tufts! If you enjoyed his best seller, Conservatives Are from Mars, Liberals Are from San Francisco, you'll be entertained by his half-century of encounters, collaborations, and friendships—with all the boring parts left out.

ONE OF PUBLISHERS WEEKLY'S TEN MOST ANTICIPATED MEMOIRS OF THE SEASON IF YOU THINK IT SUCKS TO LIVE WITH YOUR PARENTS WHEN YOU'RE THIRTY-SIX AND NINE MONTHS PREGNANT, JUST WAIT TILL THE DEA COMES KNOCKING (WITH THE IRS IN TOW): WELCOME TO VICTORIA FEDDEN'S LIFE. When a squad of federal agents burst through her parents' front door, Victoria Fedden felt ill-prepared to meet them: She was weeks away from her due date and her T-shirt wasn't long enough to hide her maternity undies. As for the question of how to raise a child when you've just discovered that your mother and stepfather have allegedly masterminded a pump-and-dump scheme? She was pretty sure that wasn't covered in What to Expect When You're Expecting—and she really hoped that Bradford Cohen, the noted criminal defense attorney who famously waived his exemption on The Apprentice, would prove them innocent. This Is Not My Beautiful Life is the story of how Victoria lost her parents to prison and nearly lost her mind. No one ever said motherhood would be easy, but as she struggles to change diapers, install car seats, and find the right drop-off line at pre-school—no easy

task, when each one is named for a stage in the lifecycle of a f\*cking butterfly—she's also forced to ask herself whether a jump-suit might actually complement her mom's platinum-blond extensions and fend off the cast of shady, stranger-than-fiction characters (like the recovering addict who scored a reality show when he started an escort service for women) who populated her parents' world. A real-life *Arrested Development* that could only unfold in southern Florida, *This Is Not My Beautiful Life* is a hilariously funny and unexpectedly moving memoir of a just-functional family you'll never forget.

This book is an autobiographical memoir. It tells the story of how God prepared me for the work of theology during childhood and during my schooling at Princeton, Westminster, and Yale. It focuses on those events that shaped my theological convictions and led me to develop my distinctive emphases in theology, apologetics, and philosophy. It seeks to honor God's providence in leading me from one point to another in my life as a son, husband, father, theologian, apologist, and churchman. My goal in the book is to show how one's theological convictions are products, not only of logic and reasoning, but also of the events of one's life and the people one interacts with.

After witnessing the brutal murder of her family, 15-year-old Tamara Weatherby is adopted by multibillionaire Paul Waterford, who just happens to moonlight as the superhero Krino. Tamara earns a role at Krino's side, but she soon learns that occupational hazards are the least of her challenges. She must deal with envious friends, over-protective relatives, and the persistence of the man who took her family away. Through her weaknesses and struggles, Tamara finds strength, courage and confidence that she never knew she had. But can she find the will to forgive her family's killer?
