Attach the provided antennas (if any) and connect your modem to the Internet port on your router. Power on your router. Wait for the WiFi LED to light. Look on the router label for your router's WiFi network name (SSID) and network key (password). The label is on the back or bottom of your router.

How do I set up and install my NETGEAR router? | Answer ...

I just received a Netgear wireless router (WPN824). It did not come with an installation CD but has a piece of paper inside saying: The current installation guide and software may be downloaded from the NETGEAR website: http://www.netgear.com/. However, I have been to the product page and there is firmware upgrades and the Manual but no software. The manual pretty much says, insert the installation cd, which I don't have.
