OCR A Level Physics Revision / Topic Questions & Answers

OCR is a not-for-profit organisation; any surplus made is invested back into the establishment to help towards the development of qualifications and support, which keep pace with the changing needs of today's society. This mark scheme is published as an aid to teachers and students, to indicate the requirements of the examination.

OCR is a leading UK awarding body, providing qualifications for learners of all ages at school, college, in work or through part-time learning programmes.

Grade boundaries archive - OCR
OCR A-Level Physics is a 'linear subject'. This means that students take all of the exams at the end of the academic year as opposed to throughout it (something that used to happen with 'modular subjects'). How long will the course take to complete? You can choose to take the AS course in OCR Physics or the full A-Level.
