A pregnancy journal is a notebook or scrapbook that holds all the details about your pregnancy. Some journals include space to record memories after baby is born, too. What should I write in a pregnancy journal? Popular things people like to include in pregnancy journals are prenatal doctor appointment details, how their pregnancy went, and birth stats (date of birth, weight, height).

### Home - Pregnancy Journal

A pregnancy journal allows you to document even the smallest details to enhance your memories. In addition to all of the pregnancy-related memories, you'll also be able to document a glimpse of your pre-mom life. This can be beneficial for you after birth because many new moms tend to feel like they have lost their pre-parent self.
