Adichie briefly introduces the purple hibiscus as a symbol of freedom and independence, while also referencing the theme of silence and speech and bringing up Nigerian politics. We see everything in the novel through the eyes of a fifteen-year-old, so there is no thorough description of the political situation, but in this way Adichie more poignantly shows how corruption and violence affect even children.

in post-colonial Nigeria, and is narrated by the main character, Kambili Achike. Kambili lives with her older brother Jaja (Chukwuku Achike), a teenager who, like his sister, excels at school but is withdrawn and sullen. Kambili's father, Papa (Eugene Achike) is a strict authoritarian whose strict adherence to Catholicism overshadows his paternal love.

BOOKS IN BRIEF: FICTION & POETRY - The New York Times

Purple Hibiscus was a pleasant surprise. Paced well, long enough to get the point across without overstaying its welcome, I highly recommend it. I bought it on a whim and having read it I was chagrined Adichie did not get more recognition for it. It's a prodigiously good debut and her only problem might be matching or surpassing it.

Purple Hibiscus is a beautifully written story told in lyrical prose and slowly peeled back to reveal its truths. It is a story set in Nigeria and gives a brief glimpse of life there. I fear thought that not knowing more about this country or its people, I missed some of the meaning.

Jaja is the first to notice the purple hibiscus growing in Aunty Ifeoma's garden. Typically, hibiscus flowers are red, but Ifeoma's friend, a botanist, created a version with a deep purple color. The flower becomes a symbol of freedom from, and even rebellion against, tradition, which Jaja embraces before Kambili does. 9.
