Innocent children sometimes pay for the sins of their parents. Romeo and Juliet forfeit their lives partly as a result of their parents' hatred and prejudice. Fate vs Free Will Fate acts through human folly. As in Macbeth, King Lear, Julius Caesar, and other plays of Shakespeare, the force of Fate seems all-powerful and ineluctable. And when the group finally lands on the distant planet which is to be their new home, it seems that the four-year journey has been a success. Better Never to Have Been argues for a number of related, highly provocative, views: (1) Coming into existence is always a serious harm. (2) It is always wrong to have children. (3) It is wrong not to abort fetuses at the earlier stages of gestation. (4) It would be better if, as a result of there being no new people, humanity became extinct.
