Contemporary, line-for-line, iambic pentameter retellings. Most readers struggle with the beguiling complexity of Shakespeare's 400-year-old language. Shakespeare, Retold clarifies the stories and characterisations, while accessing the inner beauty of Shakespeare's original language. Written in the five-beat-per-line iambic pentameter of Shakespeare's originals, these line-for-line contemporary 'translations' help breathe clarity and life into the originals.

The book contains extensive support materials, including a biography, a timeline of Shakespeare's life, and further recommended readings. In this volume, you will find: Romeo and Juliet A Midsummer Night's Dream Twelfth Night Hamlet Macbeth The Tempest Much Ado About Nothing

Authorizing Shakespeare on Film and Television examines recent film and television transformations of William Shakespeare's drama by focusing on the ways in which modern directors acknowledge and respond to the perceived authority of Shakespeare as author, text, cultural icon, theatrical tradition, and academic institution. This study explores two central questions. First, what efforts do directors make to justify their adaptations and assert an interpretive authority of their own? Second, how do those self-authorizing gestures impact upon the construction of gender, class, and ethnic identity within the filmed adaptations of Shakespeare's plays? The chosen films and television series considered take a wide range of approaches to the adaptative process - some faithfully preserve the words of Shakespeare; others jettison the Early Modern language in favor of contemporary idiom; some recreate the geographic and historical specificity of the original plays, and others transplant the plot to fresh settings. The wealth of extra-textual material now available with film and television distribution and the numerous website tie-ins and interviews offer the critic a mine of material for accessing the ways in which directors perceive the looming Shakespearean shadow and justify their projects. Authorizing Shakespeare on Film and Television places these directorial claims alongside the film and television plotting and aesthetic to investigate how such authorizing gestures shape the presentation of gender, class, and ethnicity.

« Television Shakespeare » : l'expression a-t-elle encore un sens à une époque où Shakespeare à la télévision ne se réduit plus à la série BBC mais est devenu, notamment au fil des innovations technologiques, un concept de plus en plus hybride, porteur d'une infinie variété ? Ce volume offre au lecteur un examen précis d'adaptations télévisuelles des pièces shakespeariennes tout en questionnant les limites poreuses que le 21e siècle fait apparaître entre la télévision et les autres médias, Shakespeare semblant pouvoir ou devoir se prêter à toutes les métamorphoses.

"Nicole Galland is exceptionally well versed in the fine nuances of storytelling." —St. Petersburg Times "Galland has an exceptional gift." —Neal Stephenson The critically acclaimed author of *The Fool's Tale*, Nicole Galland now approaches William Shakespeare's classic drama of jealousy, betrayal, and murder from the opposite side. *I, Iago* is an ingenious, brilliantly crafted novel that allows one of literature's greatest villains--the deceitful schemer Iago, from the Bard's immortal tragedy, *Othello*--to take center stage in order to reveal his "true" motivations. This is Iago as you've never known him, his past and influences breathtakingly illuminated, in a fictional reexamination that explores the eternal question: is true evil the result of nature versus nurture...or something even more complicated?

Simple retellings of four of William Shakespeare's plays.
