Damon DeMasters is a vampire warrior who has taken an oath to not only protect his own kind, but humans as well. Crimson Rush is the new drug and it's their duty to find who is behind the selling of vampire blood and stop it. As a social worker, Nicole Callahan fights for the right of every child placed in her care. There's a war now as vampires have stepped out into the spotlight taking their place in society and the children are at the heart of it all. Damon and his fellow warriors have been ordered by the Vampire Council to train Nicole and her colleagues against the dangers they now face in their new world. Even as sparks fly and tensions mount, Nicole and Damon depend on each other to protect the children of both races.

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift, Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match.

Leader of the VC Warriors Cincinnati branch, Duncan Roark, has devoted his long life to the Warriors he calls brothers and the Vampire Council, protecting innocents of both the vampire and human race. Things change suddenly when it is ordered that he and his fellow Warriors train human Social Workers to protect themselves in their new world of vampires. Falling in love with a human was something Duncan never thought possible, but love her he did. Now instead of being the ruthless leader he was trained to be, his focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.

Leonie Saint-Andre, the granddaughter of an old Creole gentleman, thinks Morgan Slade is a scoundrel. Morgan, the son of a wealthy Natchez plantation family, thinks Leonie is a clever liar. Leonie claims Morgan married her, and fathered her five-year-old son. All she wants is her dowry returned to pay her dead grandfather's gambling debts and save their home. Morgan knows that he accepted neither dowry, nor Leonie's hand in marriage. But the woman before him awakens emotions he never thought he'd feel again. But that doesn't give reason for the imposter who signed his name to the marriage papers Leonie holds or why her son bears such a striking resemblance to Morgan himself. Billy Frank Jr. was an early participant in the fight for tribal fishing rights during the 1960s. Roughed up, belittled, and handcuffed on the riverbank, he emerged as one of the most influential Northwest Indians in modern history. His efforts helped bring about the 1974 ruling by Federal Judge George H. Boldt affirming Northwest tribal fishing rights and allocating half the harvestable catch to them. Today, he continues to support Indian country and people by working to protect salmon and restore the environment. Where the Salmon Run tells the life story of Billy Frank Jr., from his father's influential tales, through the difficult and contentious days of the Fish Wars, to today. Based on extensive interviews with Billy, his family, close advisors, as well as political allies and former foes, and the holdings of Washington State's cultural institutions, we learn about the man behind the legend, and the people who helped him along the way.
