Smith's Textbook of Endourology, 2 Volume Set, 4th Edition | Wiley The most comprehensive textbook in the field edited by the founding father of endourology returns for a new edition. In full colour throughout and packed with surgical teaching videos, this is an essential purchase for all urologists wishing to master their skills.

Smith's Textbook of Endourology, 2 Volume Set, 4th Edition ...

Smith's Endourology is a must-read for anyone who considers himself an endourologist - especially at the start of one's career. The hardback book delivers on almost any and all areas of endourology, including laparoscopy and robotics, and features some of the most brilliant pieces of textbook that I ever read. The piece on renal anatomy from Sampaio alone is worth all the money, and the book hands out a CD with the whole thing as PDF just like that.
