Yet there has been little analysis of the historical literature on social work and social workers in Australia. Attention is drawn here to both the strengths in the existing literature, and also to the major gaps in our knowledge of social work practice, education, activism and professional organisations.

The history of social work in Australia: A critical ...

Australian Aboriginal peoples - Australian Aboriginal peoples - Leadership and social control: Aboriginal people had no chiefs or other centralized institutions of social or political control. In various measures, Aboriginal societies exhibited both hierarchical and egalitarian tendencies, but they were classless; an egalitarian ethos predominated, the subordinate status of women notwithstanding.
