...

Structural remedies, such as increasing competition by forced divestiture (Green, 2006), focus on the removal of the structural causes of market power. Behavioral remedies focus on preventing firms to be able to use their market power. The European Commission prefers behavioral remedies to structural ones, stating:

## **Structural Versus Behavioral Remedies In The Deregulation**

The literature contains several alternative definitions of structural versus behavioral remedies,<sup>3</sup> but most have at their core the following distinction: a structural remedy to an otherwise anticompetitive merger creates or preserves legally and operationally independent firms so as to maintain competition in the affected market.

# Download Ebook Structural Versus Behavioral

## Behavioral Merger Remedies: Evaluation and Implications

...

Structural remedies contrast with "conduct" or "behavioral" remedies, which also are intended to preserve competition, but through requirements that the merged firm commit to take certain business actions or refrain from certain business conduct going forward. In the past, the agencies generally have reserved conduct remedies for those few "vertical" deals they have challenged, where the merging parties are not horizontal competitors but compete at different levels of
