Communities: Creating a Durable

Local Economy reminds us that change at the local level is possible and that we can all be the better for it. Phillips, Seifer and Antczak document a remarkable adventure set in Burlington, Vermont which demonstrates how indigenous leadership coupled with a strong sense of community can make a difference.

~~Sustainable Communities: Creating a Durable Local Economy ...~~

What is a durable economy? It is one that not only survives but thrives. How is it created, and what does it take to sustain over time? Sustainable Communities provides insight and answers to these questions.. Citing Burlington, Vermont's remarkable rise to award-winning status, this book
