This book was certainly interesting with Einstein at Princetown University in America and involving Robert Oppenheimer when consulted Einstein unofficially in building the atomic bomb. What I did not see was an actual prophecy as such although the major physicists at the time were aware of the implications of Einsteins formula E=MC2 .

The Einstein Prophecy Quotes Showing 1-30 of 155 “If you had never seen war up close, it was an easy thing to be brave and bellicose about it. But if you had, it was hard not to despair. What men could wantonly do to each other, in the name of nation or faith or ideology, was unthinkable.”

~~The Einstein Prophecy Quotes by Robert Masello~~

The Einstein Prophecy starts off with a strong introduction but the rest of the story fails to live up to its promise, with huge lapses in logic a failure in basic premises. Worst of all, Albert Einstein is reduced to a relatively minor role and plays no real part in solving the mystery of the evil, seemingly unstoppable force.
