The Fish Can Sing - Wikipedia

The Fish Can Sing is an odd little novel about a talented yet humble young man in Iceland. Laxness paints a broad canvas here before settling into the novel's plot; we learn countless small details of everyday life in a small Icelandic village, nearby the capital that is itself a tiny blip on the world map.

Halldór Laxness is undoubtedly Iceland's most famous writer. The story goes that he was in the middle of writing "Brekkukotsannáll" - translated (surprisingly) as The Fish Can Sing - when he was awarded the Nobel Prize for literature (in 1955). Did this recognition change the way he completed the novel? May be, maybe not.

The Fish Can Sing (originally published in Icelandic in 1957 as Brekkukotsannáll) is probably the most accessible Halldór Laxness novel. This coming-of-age story centers on the orphan Alfrímur and his relationship to his very small world. This small area is, however, rich in characterization and momentous events.
