How do you go about killing yourself when you are an immortal? Is it even possible? Jennifer Fallon explores this tantalizing puzzle in *The Gods of Amyrantha*, the second in her *Tide Lords* series. The Tide is turning and the Tide Lords' powers are returning with it. Cayal, the Immortal Prince, hero of legend, was thought to be only a fictional character. Cayal sure wishes that he was a piece of fiction—anything that would help him shuffle off this mortal coil. But even though he longs for a final death, things in the world keep pulling him back. Such as Arkady Desean, an expert on the legends of the Tide Lords who has discovered the truth about Cayal...and captured his heart. Yes, the Tide Lords will walk upon the earth once more and, with the power that surges through the cosmos, stand poised to wreak havoc on all that humans hold dear. When a routine hanging goes wrong and a murderer somehow survives the noose, the man announces he is an immortal. And not just any immortal, but Cayal, the Immortal Prince, hero of legend, thought to be only a fictional character. To most he is a figure out of the Tide Lord Tarot, the only record left on Amyrantha of the mythical beings whom fable tells created the race of half-human, half-animal Crasii, a race of slaves. Arkady Desean is an expert on the legends of the Tide Lords so at the request of the King's Spymaster, she is sent to interrogate this would-be immortal, hoping to prove he is a spy, or at the very least, a madman. Though she is set the task of proving Cayal a liar, Arkady finds herself believing him, against her own good sense. And as she begins to truly believe in the Tide Lords, her own web of lies begins to unravel... At the Publisher's request, this title is being sold without Digital Rights

The magical Tide has turned and the Immortal Lords once again have their full power. The Immortal Lord Cayal welcomes this power as a means to an end--his end, preferably. Cayal has wanted to cease his existence for longer than human history and it looks like he might finally get his wish. Rumors swirl that the Chaos Crystal, the mysterious prism that brought the Immortals to the world, has been found. Cayal is determined to seize the gem. Among those who search for this long-lost object is Cayal's former lover, the very mortal Lady Arkady. She's been captured by Jaxyn, a Tide Lord who is decidedly against Cayal and is seeking the Crystal for his own nefarious schemes. Arkady escapes, and is off on her desperate search...for if the gem falls into the hands of the Immortals, what will become of humanity? The stakes are high, with mortal and immortal fighting to grasp this ultimate prize. Whoever holds the Crystal can decide the fate of the world. Marla Wolfblade of Hythria is determined to restore her family's great name, but conspirators surround her: the Sorcerers' Collective, the Patriots -- even members of her own family. She must make sure her son Damin lives to be old enough to restore the Wolfblade name to its former glory. Elezaar the Dwarf is a small man with big secrets -- but that doesn't matter to Marla Wolfblade. Her brother is the High Prince of Hythria, and, in this fiercely patriarchal society, her fate will be decided on his whim. She needs someone politically astute to guide her through the maze of court politics -- and Elezaar the Dwarf knows more than he lets on. As Elezaar teaches Marla the Rules of Gaining and Wielding Power, Marla starts on the road to becoming a tactician and a wily diplomat -- but will that be enough to keep her son

Taking place hundreds of years before the events of *The Magicians' Guild*, *The Magician's Apprentice* is the new novel set in the world of Trudi Canavan's *Black Magician* trilogy. In the remote village of Mandryn, Tessia serves as assistant to her father, the village Healer. Her mother would rather she found a husband. But her life is about to take a very unexpected turn. When the advances of a visiting Sachakan mage get violent, Tessia unconsciously taps unknown reserves of magic to defend herself. Lord Dakon, the local magician, takes Tessia under his wing as an apprentice. The hours are long and the work arduous, but soon an exciting new world opens up to her. There are fine clothes and servants and - to Tessia's delight - regular trips to the great city of Imardin. However, Tessia is about to discover that her magical gifts bring with them a great deal of responsibility. For a storm is approaching that threatens to tear her world apart.

Rendered outlaws in the wilderness when the land of Medalon surrenders to foreign invaders, Damin Wolfblade and his army work to defeat a usurper, while Demon Child R'shiel struggles toward a final
