In narratology and comparative mythology, the hero's journey, or the monomyth, is the common template of stories that involve a hero who goes on an adventure, is victorious in a decisive crisis, and comes home changed or transformed. Earlier figures had proposed similar concepts, including psychologist Otto Rank and amateur anthropologist Lord Raglan, who discuss hero narrative patterns in terms of Freudian psychoanalysis and ritualism. Eventually hero myth pattern studies were popularized by Jo

The Hero's Journey 2e by Gallant Knight Games — Kickstarter
Beginning life as a seven-page memo to Hollywood studios, The Writer's Journey was first published in 1992 as a guide for screenwriters concerned with classically organic structure and development within their work, based on the ideas of the mythologist Joseph Campbell. Unsurprisingly it was voraciously devoured, so much so that this is a second revised and expanded edition which also ...
